Policy Circular No 10 (RE-00)/2000-2001 Dated 14th June,2000

ALL LICENSING AUTHORITY

ALL COMMISSIONERS OF CUSTOMS

Subject :- Consideration of application under paragraph 6.8 of the Handbook (Vol.1) without reference to Headquarters EPCG Committee.

Attention is invited to paragraph 6.8 of the Handbook (Vol.1). wherein it has been stated that in such cases where nexus norms have already been communicated by the Headquarters or the same are already established on the basis of the EPCG licences issued in the past by the Port Offices , such applications may not be forwarded to the Headquarters EPCG Committee.

In addition to the items covered by the Lists given in Annexure to the Policy circular No.3 (RE2000)/1997-2002 dated 7-4-2000, it has been decided that in respect of the items given in the Annexure to this Circular , EPCG licences upto Rs.50 Crores may be issued by the RLAs concerned without referring such applications to Headquarters EPCG Committee.

This issues with the approval of the DGFT.

A. CHEMICALS & ALLIED PRODUCTS

a. Drugs and Pharmaceuticals:-

Sl.No.	Export Product	Capital Goods which can be imported

01.	Durges & Pharmaceuticals	1. Ozone Generators 2. Ozone Machine Device
02.	Sulphamethoxazole, Ibuprofen, Norfloxacin, Pefloxacin	1. Horizontal Electrophoresis Unit Small 2. Horizontal Electrophoresis Unit Medium 3. Horizontal Electrophoresis Unit Big 4. Vertical Electrophoresis Unit Small 5. Vertical Electrophoresis Unit STD 6. Power Supply 7. UV Cross Linker 8. Sequencing Unit with Power Pack 9. Auto Radiography Cassettes & Screens 10. Radiation Detector 11. Hybridization Oven 12. Vaccugene XL Vacuum Blotting Unit 13. New Brunswick Scientific Benchtop Refrigerated Incubator Shaker 14. Bioflo 2000 Modular Bench Top Fermentor 15. Ice Flaker 16. Sanyo Gallenkamp MSE Ultra Centrifuge 17. PTC 2200 Thermal Cycler DNA Engine Basic Unit 18. Perkin Elmer 19. Sigma 1-13 Micro-Centrifuge 20. UV VIS Spectrometer 21. Ultrasonic Homogenizer Labsonic 22. Glass Lined Reactor
03.	Albendazole USP, Frusemide BP, Mebendazole USP, Niclosamide BP, Nifedepine BP, Oxibendazole Vet, Oxfendazole BE (VET), Ricobendazole, Trimethoprim PB, Triclabendazole, Quinapyramine Salts Chloride	1. Microprocessor Based Meric Hitachilachrom HPLC System
04.	Pharmaceutical Bulk Drug, Intermediates	1. Thermoquest – TSP HPLC System 2. Binary Gradient System 3. Wheation Solvent Bottle 4. Spectra System

		5. Spectra System Autosampler 6. Chromquest Chromatography work station interface and software chromquest full LC Control 7. Shromquest Spectacle 8. High Performance Liquid Chromatograph Isocrtic System
05.	Tablets & Ointments	1. HPLC Pump 2. Rheodyne Injector 3. UV Detector 4. Brown Integrating Software 5. Columns C8 & C18
06.	Drugs and Pharmaceutical formulations	1. Wrap Around Case Packer Automatic Machine

a. Glass and Glass Products:-

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Glass Bottles	1. Dual Fuel Firing System 2. Combustion Tec 3. Flexible Metal Hose 4. Gas Spools 5. Spanner Wrench 6. Ratchet Wrench 7. Burner Alignment Tube

a. Others:-

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Spray Dried Silica	1. Bucket Elevator
02.	Demineralization Whey Powder	1. Cationic Reactor 2. Anioncn Reactor 3. Pipes Manifolds 4. Automatic Valves 5. Whey Demineralization Resins 6. Whey Demineralization Line

		7. Sterex 8. Automation System with PLC
03.	Precured Tread Rubber and other allied rubber manufactured products	1. Rheotech OD+ Oscilating Disk Pheometer
04.	Air Bubble Film	1. Air Bubble Film Plant 2. PE Foam sheet Extrusion line
05.	Rubber Gaskettes	1. Hydraulic Rubber Vulcanisation Moulding Machine

B. ELECTRONICS SECTOR

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	TV Sets including SKD/CKD thereof	1. Horizontal/Vertical Cabinet (Front Mould) 2. Vertical Panel 3. Back Cabinet Mould 4. Door Mould
02.	Electric Philament for discharge lamps, Fluorescent Lamps	Machinery / Equipment for the Manufacture of Fluorescent Lamps including Service lines consisting of :- 1. Head Mounting Machine 2. Sholdering/Whelding Flashing Machine 3. Pumping Machine, 4. Head Sealing Machine, 5. Vaccum Pump, 6. Automatic Cap Filler, etc.
03.	Telephone Instruments	1. Telephone Test Set including Firmware License, Controller Unit, Measurement Unit, C.O.Simulator Unit, C.O. Modules Unit, One Programmable Artifical, Transmission Line, etc. 2. Sheo Wave Soldering Machine

C. ENGINEERING SECTOR

a. Automobile:-

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Tractors, Engines, Tractor Spares, Gear Pinion	1. Angular Nut runner LTV 2. Pistol Grip Nut Runner 3. Service Kit
02.	Motor Parts & Accessories	1. Hurth Gear Shaving Machine
03.	Metal Bonded Rubber Auto Parts	1. Rubber Injection Moulding Machine
04.	Bearing Cages	1. Automatic Rivert Insterting Machine 2. Header "Ayase make"

a. Industrial Machinery:-

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Industrial Valve & Accessories	1. Verticle Machining Center
02.	Electro-mechanical Domestic Appliances with self contained Motor i.e. Vacumizer Pump and Vacuseal Containers of different sizes, Corkscrews and Foil Cutter of different Modesl	1. NisseiInjection Moulding Machine 2. Sinbase' Robotic Arms Model Sinbase FS 600 3. Sinbase' Robotic Arms Model Sinbase FS 900
03.	Transmission & Differential Gears for Automobiles	1. Gleason Hurth Shaving Cutter Grinding Machine
04.	Machined / Unmachined Cold Forged componets	1. Makino CNC Vertical Machining Center

a. Iron and Steel Items:-

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Pig Iron, Steel Billet, Wire Rod	1. Tuyere Cooler 2. Tuyere 3. Cooling Box 4. Single-Deck Vibro Screen Feeder for Hearth Layer 5. Isolation Frame 6. Single Deck Vibro Screen Feeder for Return Fines 7. Commissioning Spares 8. Spare Bearing Sleeves 9. Sinter Faniset only Small Items, Shims, etc. 10. Inlet Damper Assy. 11. ILD Operating Gear 12. Impeller/Shaft Assy. 13. Fan Set Main Bearings 14. Main Drive Motor 15. Outpur Transformer 16. Output Inverter & Switchgear Cubicle with Castell Loc 17. Input Transformer 18. Input Rectifier Cubicle 19. Excitation Cubicle 20. Lubrication System 21. Sinter Fan Lub System Header Tanks 22. 11 KV Switchgear Panels
02.	Carbon & Alloy Steel Castings	1. Spectrocast Desktop Optical Emission Spectrometer

a. Others:-

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Highmasts, Conical Poles, Lattice Towers	1. Radio Remote Controlled tunnel enclosed Galvanising Plant 2. CNC Multi Axes Precision Hydraulic Press Brake 3. Off Bode, Medium Duty Column and Book

		special manipulator type welding system 4. Vacuum Lifting Unit 5. CNC Profile Cutting Machine 6. CNC Punching and Shearing System 7. Hydraulic Horizontal Straightening Press
02.	Industrial Fastners	1. Biing Feng Nut Former
03.	Automatic Regulating or Controlling Instruments and Apparatus Hydraulic or Pneumatics Parts & Accessories	1. VMC 1020 Hartford 2. Goodway TB-150 3. Cylinder Tapping Machine 4. Test Equipment 5. Diamond Tiplap 6. Trimos Height Gauge 7. Hi-Ton Power Press 8. Jubilee Horizontal Sand Saw 9. Mitutoyo Projector PJ 300 10. Star JNC 16 CNC Lathe
04.	Miniature Circuit Breakers	1. Injection Moulding Tools 2. Metal Stamping Tools
05.	Rolls for Rolling Mills/ Paper Mills	1. Roll Grinder Casting of Grinding Bill Motor
06.	Tonner	1. Tonner Screening System comprising of Classifier, Product Separator, Fines Separation, Electrical & Pneumactical Units

D. FOOD PRODUCTS

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Frozen Fish, Frozen Meat, Poultry	1. Evaporator Unit for Ammonia Refrigeration
02.	Frozen Marine Products	1. Air Cooled Chiller 2. Fan Coil Units 3. Freezer including Glaze Hardening Tyre Glazer Transport Conveyor/Decline Conveyor/Packing Table

03.	Frozen Fish & Fish Products & Frozen Srimps	1. Flake Ice Machine 2. Aircooled Refrigeration Units
04.	Soyabean Meal, Rapseed Extractio, Textured Soya Proteins, Refined Oils, Soya Flour Defatted & Full Fatter, Bakery Fats, Soya Lecithin, Animal Feed	1. Grains SILO system in CKD condition 2. Elevator & Conveyor System in CKD condition 3. Temperature Detection System in CKD condition 4. Belt Weigher in CKD condition 5. Comitrol Processor 6. Hammer Mill System 7. Centrifugal Separator 8. Centrifugal Mixer 9. Weigher, Crackers & Air Recycling as Pirators in CKD condition.

E. LEATHER PRODUCTS

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Leather goods & made ups	1. High Speed Automatic Needle Looms
02.	Leather Shoes	1. Rotary Injection Moulding Machine 2. Glue Fit Automatic Forming Machine 3. Heavy Duty Shrink Tunnel Machine 4. Computer Headed Manufacturing Kit

F. PLASTIC SECTOR

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Plastic Moulded Goods (Suit Cases, Brief Cases, Vanity Cases), Plastic Tacks Radiation	1. Plastic Injection Mould Top & Botton Shell 31 IML 2. Tapling Machine
02.	Plastics	1. Deckel – Maho German Make Vertical Machine Centre 2. Connection for Air Pressure
03.	Epoxy Resin Lapox,	1. Shimadzulc-10A VP Series, High Performance

Hardeners

Liquid Chromatograph (HPLC)

G. MISCELLANEOUS SECTOR**a. Agricultural products:-**

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Rice	1. Grain Color Sorter 2. Humidified Air Polisher 3. Vertical Rice Whitener 4. Paddy Husker
02.	Rice Broken Rice Bran	1. Highpoly III Polisher DRPA
03.	Indian Rice	1. Grain Color Sorter 2. Florescent Lamps (Blue) 3. Florescent Lamps (Green) 4. Florescent Lamps (Glorux) 5. Ejector Valves 6. Micro Mist Separator 7. Wiper Blades (Front) 8. Wiper Blades (Rear) 9. Ejector Hook Sets 10. Ejector Bases
04.	Cashew Kernels	1. Vaccum Packing Machine Mod 2. Semi Automatic Inline Packaging System 3. Computer Vertical Vaccum Machine 4. Moulds and Sleeves 5. Weighing Facility including Load Cell and Controller

a. Gem and Jewellery:-

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Cut and Polished Diamonds	1. Maxicut Elite "XF" 2. Dust Suction for Maxicut 3. Maxicut Pots for Chuck Shaft – spares 4. Laser Systems for Diamond Processing 5. Dia-Expert Dimension 6. Dimension Proportion Measurement Systems 7. Diamond Sewing Machine

02.	Plain & Studded Gold	1. Yasui Vaccum Wax Injection System 2. Yasui Jiki Turbo Polisher System 3. Yasui Vaccum Pressure Casting System 4. Yasui Micromotor 5. Pneumatic Spruce Cutter Niles 6. Yasui Green Sprue Cutter 7. Yasui Plater Digital 8. Foredom Flexshaft Kit 9. Delux Vulcaniser 10. Yasui Soldering Torch GB 5000 11. Steam Cleaner Automatic 12. Vaccum Investment Mixing Machine with Vaccum Pump 13. Yasui Centrifugal Casting Machine 14. Electronic Weighing Scvales 15. Grooving Machine
03.	Cut & Polished Diamonds	1. Laser System for Diamond Processing

a. Others:-

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Printing material	1. Mitsubishi Sheetfed Offset Printing press
02.	Laminates	1. Mould Pattern Stainless Steel, Press Mould (Plates)
03.	Drawing Books with Multi Coloured Laminated Cover/Full Scape Rolled Paper/Excise Book with Multi Cover etc.	1. Paper Cutting Machine
04.	Cut & Polished Slabs & Tiles	1. Quarrying Equipment

H. SERVICE SECTOR

Sl.No.	<u>Export Product</u>	Capital Goods which can be imported
01.	Engineering Drawings and Services	1. Server 2. Cad Workstation 3. Desktop for Engineers 4. Notebooks 5. A0 Size Plotter 6. A3 Size Laser Printer 7. INTEL 510T Switch
02.	Engineering & Designing Services	1. HP Visualise B 1000 workstation 2. General Usage Manual 3. SCSI Terminator 4. SCSI Cable
03.	Software Services, Software Products & Services	1. Alcatel Digital 4200 E L ISDN EPABX System 2. 4035 Reflex Terminal 3. 4020 Reflex Terminal 4.
