Subject	Request of M/s Yasho Industries Ltd, Mumbai for allowing Ascorbic Acid in respect of adhoc norms fixed against Advance Authorization No. 0310824061 dated 28.09.2018, No. 0310824062 dated 28.09.2018 and No.0310824104 dated 01.10.2018
Decision: The Committee noted that earlier in the above mentioned three authorisations, the Committee in its Meeting No. 15/82-ALC-4/2018 dated 22.03.2019, while ratifying the ad-hoc norms under Para 4.07 of HBP, had disallowed the import of 'Ascorbic Acid' as one of the import items required for the production of 'Ascorbyl Palmitate'. Against this decision, the party had submitted the review petition which was considered by the Committee in the present Meeting. The representatives of the party appeared before the Committee and requested for review of the earlier decision of the Committee on the ground that the item 'Ascorbic Acid' is also required for the production of their export product 'Ascorbyl Palmitate' and the same was also allowed by the RA while issuing the Advance Authorisation. The Committee considered the matter and drew the attention of the representatives of party to para 4.11 (A) (ix) of the FTP 2015-20 according to which Vitamins except for use in pharmaceutical industry are ineligible for import on self- declaration basis under para 4.07 of the FTP and explained that since their export product 'Ascorbyl Palmitate' was found to be not a pharmaceutical product but a food additive, import item 'Ascorbic Acid' was disallowed as one of the inputs in respect of the above mentioned three authorisations. The Committee, therefore, maintained its earlier decision of disallowing import item 'Ascorbic Acid' in respect of the above mentioned three authorisations.	

Meeting ended with thanks to Chair.
