Manual Case

Case No. A/R 45 Meeting No. 03/20 Date 08.05.2019	M/s Thyssenkrupp Industries India Pvt. Ltd., Pune	File: 01/80/050/00143/AM14/DES-I/ RLA File: 03/95/040/00063/AM14/ License No: 0310733011 dated 01.05.2013	Approved
Subject: Request for ad-hoc norms in respect of Advance Authorization No. 0310733011 dated 01.05.2013 issued to M/s Thyssenkrupp Industries India Pvt. Ltd., Pune under Para 4.7 of HBP (Vol. I) -reg. Decision: The Committee considered the case as per the agenda and noted that: 1. It was noted that case was initially deliberated in meeting No. 12/80 dated 03.09.2013 wherein it was noted that firm is making supply against invalidation letter of EPCG and that the supplies were to be made after the date of issue of notification no. 07 dated 18.04.2013 which disallowed the EPCG benefits for generation/transmission of power. Thereafter, the matter was referred to EPCG Division for clarification. The case was placed before in its meeting No. 25/80 dated 15.03.2016 wherein the committee noted that DHI comments dated 11.10.2013 have been received. However, the committee decided to withdraw the case from the meeting owing to non-receipt of comments from EPCG Division and to place the case before NC on receipt of comments from them. Later on, the comments received from EPCG Section vide O.M. dated 27.10.2016. 2. The case was again placed before Norms Committee meeting No. 13/19 dated 06.02.2019. The Committee noted that power generating sets were disallowed under EPCG scheme vide Notification No. 07 dated 18.04.2013. EPCG Section vide its O.M dated 27.10.2016 has stated that "Power Generating sets (including captive power plants and power generator sets of any kind) were disallowed under EPCG Scheme vide Notification No. 7 dated 18.04.2013 and this change in policy, approved by the then CIM, <u>was not to have a retrospective effect.</u> 3. As there was lack of clarification in terms of applicability of retrospectiveness for invalidation, the Committee decided to refer the matter to PIC for interpretation. 4. The matter was discussed in PIC meeting dated 02.04.19. PIC observed that the OM dated 27.10.2016 of EPCG section clearly states that Notification No. 7 dated 18.04.2013 will not have retrospective effect. Therefore, such input procurement under invalidation shall remain available for the EPCG licenses issued prior to 18.04.2013. The PIC therefore decided to allow the NC-1 to go ahead with fixation of norms in the said/similar cases. In view of the above PIC decision, the Norms Committee decided to fix the norms on the basis of written comments of representative of DHI vide File No. 3(127)/2009-TSW(B)/226 dated 11.10.2013, as under: I. Export Product: Steam Drum, membrane panel etc. Total weight 371 MT to be incorporated in AA. II. Quantity of import items at Sl. No. 1 to 7 and 10 are allowed on net to net basis as per GN-4, with accountability clause. III. Quantity of import items at Sl. No. 8, 11 to 19 are allowed as per SION C-1647. RA concerned may take further necessary action as per the decision of NC.
