HQ File No: 01/80/050/00819/AM10/		
RA.F.No.04/24/040/00290/AM10		

Decision: The Committee considered the case as per the agenda and noted that the case was approved in Meeting No.07/80 dated 25.06.2013 as per written of DHI UO No. 3(23)/13-TSW(B)/89 dated 6.5.2013.

The firm vide letter dated 17.10.2019 requested for revision of ad-hoc norms. The firm stated that they have not requested DGFT to amend the UOM as “Number” for the items which have UOM as “SET”. Based on their requirement, they have only provided the break-up details. The firm has further stated that the quantity of material they have imported in terms of “Number” is same as that they have declared to DGFT earlier. Now, they have requested to revise Unit of Measurement (UoM).

The Committee reconsidered the case and noted the comments of **DPIIT** wherein it is stated that *earlier norms were recommended based on the information submitted by the firm at that time. Now, the firm has stated that at that time project was in initial stage and the exact details were not available with them. Now they have given the details as per actual. Hence, the norms have been revised.* In view of **DPIIT** comments, the Committee decided to **re-fix the ad-hoc norms** as per written comments of **DPIIT** vide U. O. No.: P-47011/390/2018-TSW dated 02.09.2020. (Copy enclosed)

RA concerned may take further necessary action as per the decision of NC.
