Norms Committee Decision:	
The Committee considered the case as per agenda and decided to seek the following information / Documents as per comments of concerned TE:	
1. Detail technical drawings and dimension of each export product, Catalogue, if any, may also be	

furnished.

2. Weight of each Export Product.
3. Weight of each of the imported and indigenous input, separately for each product, for the purpose of material balancing. Net weight (Gross weight minus wastage) for each imported and indigenous input in the export product may be indicated. Net weight along with details of other imported input to be used in the resultant product and sought to be imported/procured from sources other than the license, if any, may also be indicated.
4. Starting from the specification of the export product, basic calculation as to how of raw material proposed for import has been arrived at, including the net weight of components to be manufactured out of these imported materials, wastages claimed at each stage of manufacturing with complete justification and supported by documentary evidence/drawings etc.
5. List of import items with specific sizes and weights.

Case stands deferred.
