Decision: The Committee considered the case as per agenda and heard the representation of the firm during the personal hearing and found that the firm had earlier applied for import of Iodine against export of 3 Export items. This was examined earlier in line with yields indicated by the firm and norms were approved. Now the firm represented for the lower norms and claimed that they have actually imported crude iodine and accordingly consumption is higher. The purity of crude Iodine is indicated as 85% which was not indicated at the time of earlier approval. The committee decided to reject the case.
