5. The committee has noted that several calibration certificate of the instrument are expiring before 1 year. The committee decided that PSIA shall submit valid re-calibration certificates of the approved instruments 15 days before the expiry of the period of calibration of the instruments.

6. The committee further noted that as per Para-2.55 (f), "a PSIA can also carry out inspections in countries, where it does not have a full time equipped branch office but which falls within its area of operation, by deputing its inspectors. However, for such inspections in other countries, the PSIA will be required to give prior intimation to DGFT by sending an e-mail (at psia-travel-dgft@gov.in) and furnishing details of visit/inspection done by the Inspector in PSIC." Accordingly, the committee decided that a regular monitoring of the same is ensured.

7. Meeting was ended with vote of thanks to the chair.
