

**DIRECTORATE GENERAL OF FOREIGN TRADE  
(DES-II SECTION)**

**MINUTES OF THE NORMS COMMITTEE-II  
MEETING No. 07/81-ALC2/2021 DATED 08.09.2020 (Held on 15.09.2020)**

Please Note

- i. For information of exporters, Norms Committee-II handles all cases pertaining to fixation/ratification of norms for Export Products falling under ITC (HS) Chapter 72 to 76, 78 to 80 & 85. Communications in respect of cases/pertaining to NC-II may be sent to email address: [nc2.dgft@nic.in](mailto:nc2.dgft@nic.in)
- ii. In certain cases the decision of the Norms Committee refers to the Recommendations/Observations/Deficiencies received from the concerned Technical Authority. Wherever applicable, a scanned copy of such document has been placed at the end of the Minutes, in running serial orders. The concerned applicant/company may go through the same and respond accordingly.
- iii. Similarly, a scanned copy of the blank Standard Deficiency Format, which may find a reference in NC decisions, has also been attached in the end. This may also be referred to by the concerned applicant/company and may be responded accordingly.
- iv. The Norms Committee has taken decision only with respect to technical aspect/wastage norms. While redeeming the applications, RAs should check that the applicant has fulfilled all requirements as prescribed in policy/procedure including those in Policy Circulars issued from time to time or any other provisions under FTP/HBP for EODC.
- v. Wherever the Committee has fixed Norms, the concerned RA may ensure that AA is issued on the wastages/consumption as ratified by the Committee or as per wastages claimed in the application, whichever is less.

Meeting No. 07/81 of Norms Committee-II for the year 2020-21 (Originally scheduled for 08.09.2020) held on 15.09.2020 through Video Conferencing under the Chairmanship of Shri R. P. Goyal, Additional Director General of Foreign Trade to consider the following applications for ratification of norms in respect of advance authorizations under Duty Exemption Scheme (Chapter-4) of Foreign Trade Policy 2015-20. |   | <p><b>Decision:</b> The Committee considered the case as per agenda and noted that the applicant's reply was sent to DHI on 20.08.2020 for examination of the case. DHI informed that the applicant's reply is incomplete as the applicant did not submit reply of following deficiencies point-wise:</p> <ol style="list-style-type: none"> <li>1. Complete specification with catalogue of each export product with quantity of export in number.</li> <li>2. Sl. No. 2, 4, 5 &amp; 11 of the Standard Deficiency Format.</li> <li>3. Manufacturing process of export item giving specific use of each import item.</li> </ol> <p>Therefore, on the recommendation of DHI, the Committee decided to call the applicant for <b>personal hearing</b> via video conferencing to explain the case in the forthcoming NC meeting along with reply of above mentioned deficiencies point-wise.</p> <p>The case stands deferred.</p> |                                     |                                           |                              |

|    | <p><b>Decision:</b> The Committee considered the case as per the agenda and Consultant (SKB) informed that the applicant's reply is incomplete as the applicant did not clarify the following points:</p> <ol style="list-style-type: none"> <li>1. Do you have Ladle refining furnace for adjustment of chemistry of the end product as per Bureau of Indian Standard/or specification as per buyer requirement. If yes, when it was installed?</li> <li>2. What was the reason of applying 2230 MT of Non Alloy Steel melting scrap and 2540 MT sponge iron against export 2000 MT Non Alloy Steel Bars/Rods when they were using 55% sponge iron and 45% steel scrap for manufacturing of Non Alloy Steel Bars/Rods?</li> <li>3. In which Norms Committee meeting, the AAs No. 3710002634/2636/2637/2638/2639/2642 was granted?</li> <li>4. What was the reason of indicating the value of Rs 1/- and \$1 against the quantity of import of 2540 MT of Sponge Iron?</li> <li>5. Which quality of sponge (Coal Based or Gas Based) iron was to be imported and from which country?</li> </ol> <p>Therefore, on the recommendation of Consultant (SKB), the Committee decided to call the applicant for <b>personal hearing</b> via video conferencing to explain the case in the forthcoming NC meeting along with reply of above mentioned deficiencies.</p> <p>The case stands deferred.</p> |                                    |                                           |                                   |

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                    |                                           |                                   |

|    | HQ File<br>:01/81/050/00730/AM19/                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | RLA File<br>:37/24/040/00011/AM16/ | Lic.No/Date:3710002636<br>04.05.2016      | <b>Action by :</b><br>Applicant   |
|    | <p><b>Decision:</b> The Committee considered the case as per the agenda and Consultant (SKB) informed that the applicant's reply is incomplete as the applicant did not clarify the following points:</p> <ol style="list-style-type: none"> <li>1. Do you have Ladle refining furnace for adjustment of chemistry of the end product as per Bureau of Indian Standard/or specification as per buyer requirement. If yes, when it was installed?</li> <li>2. What was the reason of applying 2230 MT of Non Alloy Steel melting scrap and 2540 MT sponge iron against export 2000 MT Non Alloy Steel Bars/Rods when they were using 55% sponge iron and 45% steel scrap for manufacturing of Non Alloy Steel Bars/Rods?</li> <li>3. In which Norms Committee meeting, the AAs No. 3710002634/2636/2637/2638/2639/2642 was granted?</li> <li>4. What was the reason of indicating the value of Rs 1/- and \$1 against the quantity of import of 2540 MT of Sponge Iron?</li> <li>5. Which quality of sponge (Coal Based or Gas Based) iron was to be imported and from which country?</li> </ol> <p>Therefore, on the recommendation of Consultant (SKB), the Committee decided to call the applicant for <b>personal hearing</b> via video conferencing to explain the case in the forthcoming NC meeting along with reply of above mentioned deficiencies.</p> <p>The case stands deferred.</p> |                                    |                                           |                                   |

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                    |                                           |                                   |

|    | <p><b>Decision:</b> The Committee considered the case as per the agenda and Consultant (SKB) informed that the applicant's reply is incomplete as the applicant did not clarify the following points:</p> <ol style="list-style-type: none"> <li>1. Do you have Ladle refining furnace for adjustment of chemistry of the end product as per Bureau of Indian Standard/or specification as per buyer requirement. If yes, when it was installed?</li> <li>2. What was the reason of applying 2230 MT of Non Alloy Steel melting scrap and 2540 MT sponge iron against export 2000 MT Non Alloy Steel Bars/Rods when they were using 55% sponge iron and 45% steel scrap for manufacturing of Non Alloy Steel Bars/Rods?</li> <li>3. In which Norms Committee meeting, the AAs No. 3710002634/2636/2637/2638/2639/2642 was granted?</li> <li>4. What was the reason of indicating the value of Rs 1/- and \$1 against the quantity of import of 2540 MT of Sponge Iron?</li> <li>5. Which quality of sponge (Coal Based or Gas Based) iron was to be imported and from which country?</li> </ol> <p>Therefore, on the recommendation of Consultant (SKB), the Committee decided to call the applicant for <b>personal hearing</b> via video conferencing to explain the case in the forthcoming NC meeting along with reply of above mentioned deficiencies.</p> <p>The case stands deferred.</p> |                                    |                                           |                                   |

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                    |                                           |                                   |

|    | HQ File<br>:01/81/050/00733/AM19/                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | RLA File<br>:37/24/040/00014/AM16/ | Lic.No/Date:3710002639<br>04.05.2016      | <b>Action by :</b><br>Applicant   |
|    | <p><b>Decision:</b> The Committee considered the case as per the agenda and Consultant (SKB) informed that the applicant's reply is incomplete as the applicant did not clarify the following points:</p> <ol style="list-style-type: none"> <li>1. Do you have Ladle refining furnace for adjustment of chemistry of the end product as per Bureau of Indian Standard/or specification as per buyer requirement. If yes, when it was installed?</li> <li>2. What was the reason of applying 2230 MT of Non Alloy Steel melting scrap and 2540 MT sponge iron against export 2000 MT Non Alloy Steel Bars/Rods when they were using 55% sponge iron and 45% steel scrap for manufacturing of Non Alloy Steel Bars/Rods?</li> <li>3. In which Norms Committee meeting, the AAs No. 3710002634/2636/2637/2638/2639/2642 was granted?</li> <li>4. What was the reason of indicating the value of Rs 1/- and \$1 against the quantity of import of 2540 MT of Sponge Iron?</li> <li>5. Which quality of sponge (Coal Based or Gas Based) iron was to be imported and from which country?</li> </ol> <p>Therefore, on the recommendation of Consultant (SKB), the Committee decided to call the applicant for <b>personal hearing</b> via video conferencing to explain the case in the forthcoming NC meeting along with reply of above mentioned deficiencies.</p> <p>The case stands deferred.</p> |                                    |                                           |                                   |

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                 |                                           |                              |

|    | <p><b>Decision:</b> The Committee considered the case as per agenda and noted that the applicant's reply was sent to DHI on 07.08.2020 for examination of the case. DHI informed that the applicant's reply is incomplete as the applicant did not submit reply of following deficiencies point-wise:</p> <ol style="list-style-type: none"> <li>1. Complete specification with catalogue of each export product with quantity of export in number.</li> <li>2. Sl. No. 2, 4, 5 &amp; 11 of the Standard Deficiency Format.</li> <li>3. Manufacturing process of export item giving specific use of each import item.</li> </ol> <p>Therefore, on the recommendation of DHI, the Committee decided to call the applicant for <b>personal hearing</b> via video conferencing to explain the case in the forthcoming NC meeting along with reply of above mentioned deficiencies point-wise.</p> <p>The case stands deferred.</p> |                                     |                                           |                              |

|    | <p><b>Decision:</b> The Committee considered the case as per agenda and heard the representatives of the applicant during <b>personal hearing</b> held through video conferencing. The representatives explained the case in details and the Committee directed the representatives to submit following information as per advice of Consultant (SKB):</p> <ol style="list-style-type: none"> <li>1. Details of quantity matching with import &amp; export items.</li> <li>2. Weight of each export &amp; quantity thereof.</li> <li>3. Weight of each blank used for manufacturing of export items.</li> <li>4. Justification for higher wastage, which is in the range of 77-93% on item of import.</li> <li>5. Reasons for indicating Aluminium Rods and profiles in the items of export while items of import are only plate and tube.</li> <li>6. Process chart for manufacture of export product and wastage at different stages of operation.</li> <li>7. What is the composition of Aluminium Alloy, indicating in the item of import?</li> </ol> <p>The case stands deferred.</p> |                                                    |                                           |                                   |

**Decision:** The Committee considered the case as per agenda and decided to fix the ad-hoc norms on the basis of study group report dated 21.02.2020, as adopted by the Committee in the Meeting No. 24/81 dated 18.03.2020, as under:

| ITCHS Code | Export Item                                                                                                                                                                                                                               | Quantity   | ITCHS Code | Import Item                                                           | Recommended Quantity                      |
|------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|------------|-----------------------------------------------------------------------|-------------------------------------------|
| 73239390   | Table Kitchen And Other House Hold Made of Stainless Steel With or Without Handel / Lid/ Antiskid Gasket Irrespective of What Material The Handel/ Lid/Antiskid Gasketmay Have Been Made of 200 Series Non Magnetic of Relevant Thickness | 109100 Kgs | 72209090   | Stainless Steel Circles 200 Series Non Magnetic Of Relevant Thickness | 1.10 Kgs/Kg content in the export product |

**Note:**

- Grade of steel to match in import & export.
- Thickness of sheet/circle should be between 0.1 mm to 1 mm and should conform in import & export.
- Export product should be of circular/oval shape only.

RA concerned may take suitable consequential action accordingly.

| 29 | <p><b>Decision:</b> The Committee considered the case as per agenda and noted that a deficiency letter seeking certain information as raised by Consultant (TEC-1) was sent to the applicant on 31.08.2020. The applicant vide email dated 10.09.2020 informed that they are in process of applying for amendment to RA, Hyderabad for the Subject Advance Authorization as there are changes in specification for export order from our Customer which requires enhancement in import item inputs. Further, they will submit the details after amendment of AA. Therefore, the Committee decided to remind the applicant for furnishing the requisite information.</p> <p>The case stands deferred.</p> |                                              |                                           |                                   |

|    | <p><b>Decision:</b> The Committee considered the case as per agenda and noted that a deficiency letter seeking certain information as raised by Consultant (TEC-1) was sent to the applicant on 01.09.2020. The applicant vide email dated 10.09.2020 informed that they are in process of applying for amendment to RA, Hyderabad for the Subject Advance Authorization as there are changes in specification for export order from our Customer which requires enhancement in import item inputs. Further, they will submit the details after amendment of AA. Therefore, the Committee decided to remind the applicant for furnishing the requisite information.</p> <p>The case stands deferred.</p> |                                    |                                               |                                   |

|    | <p><b>Decision:</b> The Committee considered the case as per agenda and noted the applicant sought Aluminium cast strip in coil form to manufacture Aluminium Alloy extruded products. While discussing a similar case of the same applicant (AA No. ), the Policy Interpretation Committee in its meeting held on 9.6.2020 observed that while deciding the norms, the essentiality of the import is one of the main factors. Inputs should be allowed on the basis of essentiality and not on the basis of cheaper availability. Each case should be examined by the Norms Committee taking into consideration of all relevant factors. If an item asked by the applicant is not required, the norms committee should allow the relevant item only. In this case, 'Aluminium Cast Strip' is not an essential/primary raw material for manufacturing 'Rolled Aluminium Sheets'.</p> <p>The Committee further noted that the applicant vide letter dated 01.08.2020 has requested to allow 'Aluminium Ingots in the form of PIGS/SOWS/SLAB/T-BARS' in place of 'Aluminium cast strip'</p> <p>Therefore, on the basis of comments given by Consultant (TEC-3), the Committee decided to fix the ad-hoc norms as under:</p> <p>1. The <b>description &amp; quantity of import items</b> may be allowed as per <b>SION C-2</b>.</p> <p>RA concerned may take suitable consequential action accordingly.</p> |                                    |                                           |                                   |

|    |                                                                                                                                                                                                                                                                                                                                           |                                               |                                           |                                   |

| <p><b>Decision:</b> The Committee considered the case as per agenda and Consultant (TEC-1) informed that the applicant's reply is deficient due to following reasons:</p> <ol style="list-style-type: none"> <li>1. Wastage calculated is on gross weight basis and not on net weight basis.</li> <li>2. Import item name and export item name are not specific and only grades have been shown.</li> </ol> <p>Therefore, the Committee decided to ask from the applicant <b>to provide revised material balance on the basis of net weight and also specific name of import and export</b> as per the advice of Consultant (TEC-1).</p> <p>The case stands deferred.</p> |                                                                             |                                                          |                                           |                                   |

No.15 dt. 03.11.2015 due to non submission of reply of DHI deficiency letter dated 14.08.2015. The applicant vide letter dated 27.01.2016 had requested the RA, Kolkata for amendment of AA. The copy of licence amendment sheet dated 25.05.2016 along with representation was forwarded to DHI for examination. DHI on 04.11.2016 advised to consult with DPIIT or ratify under SION C-1647. The case was referred to DPIIT on 21.08.2017. The Committee in M. No. 4 /81-Pt.II dated 03.10.2018 decided to call the applicant for personal hearing. The PH letter was sent to the applicant on 23.09.2019 to appear before NC in M. No.13/81 dated 03.10.2019 (actually held on 04.10.2019), as per NC decision, another dated of personal hearing was granted. A letter was sent to the applicant on 31.10.2019 to attend personal hearing on 13.11.2019. In M. No. 16/81 dt. 13.11.2019, the Committee heard the applicant's representative during personal hearing and noted that authorisation was amended after its issuance. However, the representatives could not explain the present details of export and import items. Therefore, the Committee directed to the representative to submit some information. As per NC decision, D/L was issued to the applicant on 12.12.2019 followed by a reminder on 27.01.2020. Information received from the applicant vide email dated 03.04.2020 has been referred to DPIIT on 01.06.2020. The case was last considered in M. No. 04/81 dt. 09.07.2020 and decided to remind DPIIT to expedite the comments. Reminder issued to DPIIT on 26.08.2020.</p> | <p>The Committee considered the case as per agenda and decided to seek from the applicant to furnish the following information as per comments of DPIIT vide U. No. No. P-47011/116/2020-TSW dated 07.09.2020:</p> <ol style="list-style-type: none"> <li>1. Copy of AA along with all the amendment sheets.</li> <li>2. Final list of import &amp; export items after incorporating all amendments.</li> <li>3. Information at Sl. No. 3, 4, 5 &amp; 11 of Deficiency Format, export product-wise.</li> </ol> <p>The case stands deferred.</p> | Deferred |

| R12     | DISHA AUTO<br>COMPONEN<br>TS PVT. LTD.<br><br>0310824393<br>dated<br>11.10.2018 | 01/81/050/00<br>891/AM19<br><br>03/94/040/00<br>615/AM19<br><br><b>HQ E-office<br/>Computer<br/>No.: 24069</b> | The case was ratified in M. No. 21 dt. 09.01.2018 as per written comments dated 28.10.2019 given by Consultant (TEC-3). The applicant vide letter dated 02.12.2019 had requested for revision of ratified norms. The case was referred to Consultant (TEC-3) on 23.12.2019. The case was considered in M. No. 12/81 dt. 19.2.2020. Consultant (TEC-3) informed that the wastage has been allowed in weight terms but the applicant has requested to allow wastage in length which is not possible as major wastage occur on thickness of pipe. Therefore, the Committee decided to call the applicant for personal hearing to explain the case before Norms Committee in the forthcoming NC meeting as per advice of Consultant (TEC-3). The case was last considered in M. No. 04/81 dt. 09.07.2020 and the applicant during personal hearing held through video conferencing. The representative stated that the Committee has allowed lower wastages to it because it calculated the wastage on 'input quantity utilised for export product' whereas the Committee has considered it on 'output quantity exported' basis. Further, the Committee has taken recovery from wastages as 20% whereas it should be between 7-8%. The Committee asked Consultant (TEC-3) to examine the issue and furnish his comments. Reminder issued to consultant (TEC-3) on 26.08.2020. | The Committee considered the case as per the agenda and Consultant (TEC-3) informed that the applicant had made error in calculation of wastage. Therefore, on the basis of comments given by Consultant (TEC-3), the Committee decided to revise the ad-hoc norms as under: | Approved   |                                                                                                                    |                      |

| R13                                                                | DISHA AUTO<br>COMPONEN<br>TS PVT. LTD.<br><br>0310827926<br>dated<br>27.03.2019 | 01/81/050/01<br>182/AM19<br><br>03/94/040/01<br>128/AM19<br><br><b>HQ E-office<br/>Computer<br/>No.: 24070</b> | The case was ratified in M. No. 16/81-ALC2/2019 dated 13.11.2019 as per written comments dated 08.11.2019 given by Consultant (TEC-3). The applicant vide letter dated 26.12.2019 requested for revision of ratified norms as under:- (i) to allow import quantities in Unit of Measurement as Meter and (ii) to allow rejection/wastage of 9% on raw materials or 9.89% on finished product. The case was considered in M. No. 20/81 dt. 08.01.2020 and decided to refer the case to Consultant (TEC-3) for examination & comments. The representation was forwarded to Consultant (TEC-3) on 30.01.2020 for examination of the case. The case was considered in M. No. 23/81 dt. 04.03.2020. The Committee considered the case as per agenda and Consultant (Tec-3) informed that wastage has been allowed as requested with 20% recovery in weight. The applicant has requested wastage in length which is not possible as major wastage occur on thickness of pipe. Therefore, the Committee decided to call the applicant for personal hearing to explain the case before Norms Committee. The case was last considered in M. No. 04/81 dt. 09.07.2020 and the applicant during personal hearing held through video conferencing. The representative stated that the Committee has allowed lower wastages to it because it calculated the wastage on ‘input quantity utilised for export product’ whereas the Committee has considered it on ‘output quantity exported’ basis. Further, the Committee has taken recovery from wastages as 20% whereas it should be between 7-8%. The Committee asked Consultant (TEC-3) to examine the issue and furnish his comments. Reminder issued to consultant (TEC-3) on 26.08.2020. | The Committee considered the case as per the agenda and Consultant (TEC-3) informed that the applicant had made error in calculation of wastage. Therefore, on the basis of comments given by Consultant (TEC-3), the Committee decided to revise the ad-hoc norms as under: | Approved                                                           |  |

No. 17/81-ALC2/2019 dated 27.11.2019 as per written comments dated 21.11.2019 given by Consultant (TEC-3) considering applicant's reply dated 30.06.2019 & 24.07.2019. The applicant vide representation dated 26.12.2019 requested to revise the ratified norms. The case was considered in M. No. 21/81dated 22.01.2020 and decided to refer the case to Consultant (TEC-3) for examination & comments. The representation was forwarded to Consultant (TEC-3) on 27.01.2020. The case was considered in M. No. 24/81 dt. 18.03.2020. The Committee considered the case as per agenda and Consultant (Tec-3) informed that wastage has been allowed as requested with 20% recovery in weight. The applicant has requested wastage in length which is not possible as major wastage occur on thickness of pipe. Therefore, the Committee decided to call the applicant for personal hearing to explain the case before Norms Committee. The case was last considered in M. No. 04/81 dt. 09.07.2020 and the applicant during personal hearing held through video conferencing. The representative stated that the Committee has allowed lower wastages to it because it calculated the wastage on 'input quantity utilised for export product' whereas the Committee has considered it on 'output quantity exported' basis. Further, the Committee has taken recovery from wastages as 20% whereas it should be between 7-8%. The Committee asked Consultant (TEC-3) to examine the issue and furnish his comments. Reminder issued to consultant (TEC-3) on 26.08.2020. | The Committee considered the case as per the agenda and Consultant (TEC-3) informed that the applicant had made error in calculation of wastage. Therefore, on the basis of comments given by Consultant (TEC-3), the Committee decided to revise the ad-hoc norms as under: | Approved |

| R16                                                                | RAYCHEM<br>RPG PVT<br>LTD.<br><br>0310815877<br>dated<br>21.09.2017 | 01/81/050/00<br>368/AM18/<br>03/95/040/00<br>479/AM18/<br><br><b>HQ E-office<br/>Computer<br/>No.: 24073</b> | The case was ratified in M. No. 12/81 dated 13.02.2019 on repeat basis as approved for AA No. 03105917496 dated 9.09.2010. The applicant vide letter dated 11.12.2019 had requested for revision of ratified norms. The case was considered in M. No. 19/81 dt. 26.12.2019 and decided to refer the case to DPIIT for examination & comments. As per NC decision, the case was referred to DPIIT on 26.12.2019. The case was last considered in M. No. 04/81 dt. 09.07.2020 as per written comments give by DPIIT vide U. O. No. P-47011/324/2018-TSW dated 05.05.2020, the Committee decided to seek from the applicant the following information:<br>(i) Sl. No. 3, 4, 5 and 11 of SDF. As per NC decision, D/L was sent to the applicant on 07.07.2020 & 15.07.2020. The applicant's reply dt. 05.05.2020 was sent to DPIIT on 19.08.2020. |   |          | The Committee considered the case as per the agenda and noted the comments of <b>DPIIT</b> vide U. O. No.: P-47011/324/2018-TSW dated 07.09.2020 wherein DPIIT stated that earlier item was allowed on net to net basis. However, it is a raw material and involves manufacturing operations like casting & machining etc and therefore, norms need to be modified. Therefore, on the basis of comments of DPIIT, the Committee decided to revise the ad-hoc norms as under:<br><br>1. Taking cue from SION C-27, quantity of import item at Sl. No. 9 (Aluminium Alloy Ingot) may be allowed as 1.06 Kgs/Kg content in the export item at Sl. No. 9.<br>2. Quantity of all other items shall remain unchanged.<br><br>RA concerned may take suitable consequential action accordingly. | Approved |

No. 21/81 dated 31.12.2013 as per written comments of DHI vide U. O. No. 3(41)/2012/TSW(B)/294 dated 06.12.2013. The case was again considered in M. No. 11/81 dated 22.08.2017 and rejected due to non-submission of reply of deficiency letter dated 13.04.2017 raised by DHI. Now, the applicant vide letter dated 01.05.2019 had furnished reply & requested for ratification of ad-hoc norms. The representation was referred to DHI via email dated 24.12.2019. The case was last considered in M. No. 19/81 dt. 26.12.2019 and the Committee decided to defer the case with an advice to the section to trace out the main file as main file was not available. Main file is traced out and referred to DHI on 12.02.2020. In M. No. 22/81 dt. 19.02.2020, the Committee decided to wait for comments. The case was last considered in M. No. 04/81 dt. 09.07.2020, On the request of DHI, the Committee directed the section to forward complete set of application with ANF4A to DHI for examination and comments. Scanned copies of complete set of applications along with all concerned/related documents (reply to queries raised etc.) in chronological order has been sought from the applicant vide email dated 01.09.2020. However, no information has been received yet. | The Committee decided to remind the applicant for furnishing the requisite information.                                                                                                                                                                                                                                                                                                                      | Deferred |

The applicant vide letter dated 30.12.2019 requested to revise the ratified norms as 30% wastage instead of 10% wastage. The case was referred to Consultant (TEC-3) on 31.01.2020. As decided by NC-2, the case along with the reply of the applicant was referred to Consultant (TEC-3) dated 27.02.2020 for comments. Complete application was send again via email dated 01.07.2020. The case was last considered in M. No. 04/81 dt. 09.07.2020 and decide to send physical file to Consultant (TEC-3) for                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | The Committee considered the case as per the agenda. Consultant (TEC-3) informed that proposal was earlier approved by NC with 10% wastage on total weight of export i.e. 240 MT. However, the export product contains two types of products. The applicant has also utilized indigenous inputs. The applicant has provided detailed working. Hence, the Committee decided to revise the ad-hoc norms as per | Approved |

The applicant has requested to allow wastages @ 2% on GPC and PdTS, as approved by the Committee earlier on the recommendations of MeitY. Since, the party was contesting the findings of the study group report, comment on the representation were sought from the Technical Members of the study group viz. MeitY &amp; Consultant (VCA) on whether an option can be provided to the applicant to allow wastages either as per report or @ 2% on GPC and PdTS. Comments of Consultant (VCA) have been received vide email dated 18.06.2020. The case was last considered in M. No. 04/81 dt. 09.07.2020 and decided to wait for comments of MeitY before deciding the matter.</p> | <p>to work out specific requirement of input materials. Hence, study group report was prepared and recommendations were made by calculating ratio between CIF value of gold/ palladium plating salt used in connectors with FOB value of gold/ palladium plated connectors in 6 Export Obligation completed Advance Authorizations picked at random basis. However, the applicant is representing against the study group report as the recommendations given on the basis of data taken from six authorisations may not be applicable in all cases.</p> <p>Consultant (TEC-3) further informed that since the applicant is ready to accept earlier approval of NC for wastages given for inputs of GPC &amp; PdTS on the recommendation of MeitY, the same may be accepted.</p> <p>MeitY vide email dated 06.09.2020 recommended to ratify the norms for Gold Potassium Cyanide (GPC) &amp; Palladium Tretamine Sulphate (PdTS) at 2% for all Advance Licenses except those advance authorizations for which the recommendations have already been given in the study report.</p> <p>Hence, the Committee decided to revise the ad-hoc norms to allow wastages of @ 2% on GPC and PdTS in respect of all AAs mentioned herein except for AA No. 1010059426 dated 04.03.2016, 1010059434 dated 21.03.2016, 1010059568 dated 28.07.2016 and 1010059569 dated 28.07.2016 as these AAs were considered while finalizing the study group report.</p> <p>Note: Rest of the decision for all remaining import items shall</p> |

**Subject: Ratification of norms in terms of Para 4.7 of HBP. (Vol.1) in respect of Advance Authorization No. 0710116489 dated 22.05.2020 issued to M/s. EFD Induction Pvt. Ltd.**

This refers to DGFT email dated 08.07.2020 seeking comments of this Ministry on the above-mentioned application of M/s. EFD Induction Pvt. Ltd. for export of "Hand Held Transformer".

2. The application has been examined in the Ministry of Electronics and Information Technology from technical angle. The import products are required for manufacturing the export product. The Ministry recommends Ratification of norms of advance authorization as per the following:

- i. Sl. No. 1, 3-5: On net to net basis with accountability clause.
- ii. Sl. No. 2, 6-11: As applied for by the party with Nil wastage.

**Subject: - M/s Sterlite Power Transmission Limited, (A.A. No.0310836388 dated 27.05.2020 & A.A. No.0310836416 dated 29.05.2020)**

Ref.: (1) DGFT F.No.01/81/050/00553AM21/  
(2) DGFT F.No.01/81/050/00552AM21/

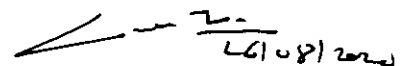

DGFT(DES-2) may kindly refer to their e-mail dated 17<sup>th</sup> August 2020 forwarding firm's applications for fixation of norms in respect of the above-mentioned two A.As. In this connection, the undersigned is directed to say that both the A.As. may be ratified as under:

**Case.1: A.A. No.0310836388 dated 27.05.2020**

1. Net weight of export items at Sl.No.4, 6 and 9 to 13 may be specified as 2130240 Kgs, 90090 Kgs, 345800 Kgs, 5635 Kgs, 7470 Kgs, 14530 Kgs and 58320 Kgs. respectively.
2. Quantities of export items at Sl.No.1 to 3, 5, 7 and 8 may also be specified as 350 KM, 2452 KM, 290 KM, 80 KM, 1112 KM and 370 KM respectively in addition to their weights.
3. Words "Greased conductor" may be suffixed with the description of export items at Sl.No.1 to 13.
4. Quantity of import item at Sl.No.1 i.e. Aluminium Alloy Wire Rod may be allowed as 1.01Kgs/Kg content in the export items at Sl.No.1 to 3, 5, 7 and 8.
5. Quantity of import item at Sl.No.2 i.e. Aluminium Wire Rod may be allowed as 1.01Kgs/Kg content in the export items at Sl.No.4, 6 and 9 to 13.
6. Quantity of import item at Sl.No.3 i.e. High Carbon Steel Wire/Rod may be allowed as 1.02 Kgs/Kg content in the export item at Sl.No.1, 4, 6 and 8 to 13, taking clue form SIONs C-7 & C-1479.
7. Quantity of import item at Sl.No.4 i.e. Zinc may be allowed as 4% weight of steel content in the export items at Sl.No.1, 4, 6 and 8 to 13, taking clue form SIONs C-7 & C-1479.
8. Quantity of import item at Sl.No.5 i.e. Overhead Conductor Grease may be allowed up to 2% of FOB value of export items.

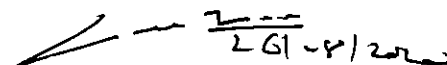

**Case.2: AA No.0310836416 dated 29.05.2020**

1. Net weight of export items at Sl.No.1 and 2 may be specified as 890440 Kgs and 1798580 Kgs respectively.
2. Quantities of export items at Sl.No.3 to 5 may also be specified as 150 KM, 200KM and 220 KM respectively in addition to their weights.
3. Words "Greased conductor" may be suffixed with the description of export items at Sl.No.1 to 5.
4. Quantity of import item at Sl.No.1 i.e. Aluminium Wire Rod may be allowed as 1.01 Kgs/Kg content in the export items at Sl.No.1 and 2.

  
26/08/2020

5. Quantity of import item at Sl.No.2 i.e. High Carbon Steel Wire/Rod may be allowed as 1.02 Kgs/Kg content in the export item at Sl.No.1, 2 and 5, taking clue form SIONs C-7 & C-1479.
6. Quantity of import item at Sl.No.3 i.e. Zinc may be allowed as 4% weight of steel content in the export item at Sl.No.1, 2 and 5, taking clue form SIONs C-7 & C-1479.
7. Quantity of import item at Sl.No.4 i.e. Overhead Conductor Grease may be allowed up to 2% of FOB value of export items.
8. Quantity of import item at Sl.No.5 i.e. Aluminium Alloy Wire Rod may be allowed as 1.01Kgs/Kg content in the export item at Sl.No.3, 4 and 5.

Norms Committee may take a view.

Reference:-DGFT F. No.01/81/050/194/AM14

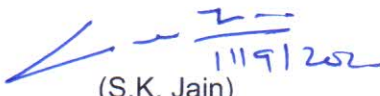

DGFT(DES-2) may kindly refer to their e-mail dated 25<sup>th</sup> August 2020 forwarding firm's application for fixation of norms in respect of the above-mentioned A.A. In this connection, the undersigned is directed to say that for the purpose of redemption, the instant A.A. may be ratified as under:

1. Net weight of the export items at Sl.No.1 to 6 may be specified as 3120 Kgs, 872 Kgs, 872 Kgs, 3120 Kgs, 872 Kgs and 872 Kgs respectively.
2. Quantity of import item at Sl.No.1 may be allowed as 1.02 Sq.meter/sq.meter content in the export item at Sl.No.1.
3. Quantity of import item at Sl.No.2 and 3 put together may be allowed upto 1.5% of the FOB value of export item at Sl.No.1.
4. Quantity of import item at Sl.No.4 may be allowed on net to net basis as claimed by the firm.
5. Quantity of import item at Sl.No.5 may be allowed as 1.01Kgs/Kg content in the export item at Sl.No.1.
6. Quantity of import item at Sl.No.6 may be allowed on net to net content basis in export item at Sl.No.2 with accountability clause.
7. Quantity of import items at Sl.No.7 to 10 may be allowed on net to net content basis in export item at Sl.No.2 as claimed by the firm.
8. Quantity of import item at Sl.No.11 may be allowed on net to net content basis in export item at Sl.No.2 with accountability clause.
9. Quantity of import item at Sl.No.12 may be allowed on net to net content basis in export item at Sl.No.3 with accountability clause.
10. Quantity of import items at Sl.No.13 to 16 may be allowed on net to net content basis in export item at Sl.No.3 as claimed by the firm.
11. Quantity of import item at Sl.No.17 may be allowed on net to net content basis in export item at Sl.No.3 with accountability clause.
12. Quantity of import item at Sl.No.18 may be allowed as 1.02 Sq.meter/sq.meter content in the export item at Sl.No.4.
13. Quantity of import item at Sl.No.19 and 20 put together may be allowed upto 1.5% of the FOB value of export item at Sl.No.4.
14. Quantity of import item at Sl.No.21 may be allowed on net to net content basis in export item at Sl.No.4 as claimed by the firm.
15. Quantity of import item at Sl.No.22 may be allowed as 1.01Kgs/Kg content in the export item at Sl.No.4.
16. Quantity of import item at Sl.No.23 may be allowed on net to net content basis in export item at Sl.No.5 with accountability clause.
17. Quantity of import items at Sl.No.24 to 27 may be allowed on net to net content basis in export item at Sl.No.5 as claimed by the firm.

①   
② 11/09/22

- 18.Quantity of import item at SI.No.28 may be allowed on net to net content basis in export item at SI.No.5 with accountability clause.
- 19.Quantity of import item at SI.No.29 may be allowed on net to net content basis in export item at SI.No.6 with accountability clause.
- 20.Quantity of import items at SI.No.30 to 33 may be allowed on net to net content basis in export item at SI.No.6 as claimed by the firm.
- 21.Quantity of import item at SI.No.34 may be allowed on net to net content basis in export item at SI.No.6 with accountability clause.

Norms Committee may take a view.

Subject:- M/s Sterlite Power Transmission Ltd. AA No.0310811681 dated 07 /03/2017

Reference: -DGFT U.O.No. 01/81/050/074/AM18/ DES-2 Dated: 20.05.2019

With reference to the above, the undersigned is directed to say that

1. Net weight of export items at SI.No. 1 and 2 may be specified as 121.45 MT (120KM), 21.67 MT (25KM) respectively.
2. Import items at SI.No. 1 to 3 maybe of relevant grade and specification as contained/utilized for the manufacturing of export items.
3. Quantity of import item at SI.No. 1 may be allowed as 139.13 MT inclusive of 2% wastage with accountability clause.
4. Quantity of import item at SI.No. 2 may be allowed as .545 MT inclusive of 10% wastage with accountability clause. ← ?
5. Quantity of import item at SI.No. 3 may be allowed as 1.285 MT inclusive of 0.75% wastage with accountability clause.
6. Quantity of import item at SI.No. 4 may be deleted.
