I. INTRODUCTION

Directorate General of Foreign Trade (DGFT) issues various types of scrips/authorizations under different export promotion schemes through its Regional Authorities (RAs) across the country. This MIS information on various parameters is helpful in monitoring the performance of Regional Authorities and for policymakers and stakeholders to monitor and evaluate the export promotion schemes.

II. Importer-Exporter Code (IEC)

An IEC is a 10-digit number allotted to a person that is mandatory for undertaking any export/import activities.

RA-wise number of IEC issued in the month of April- March in 2025-26 and 2024-25 is given at Table 1. It is clear from Table 1 that there is an increase of 11.6 % in issuance of IEC during March 2025-26 over the corresponding month of previous year. Total number of 15,232 IECs was issued during March 2025-26 as compared to 13,648 IECs during March 2024-25.

Figure 1 reflects month-wise number of IEC issued in the month of April, May, June, July, August, September, October, November, December, January, February and March in 2024-25 and 2025-26.

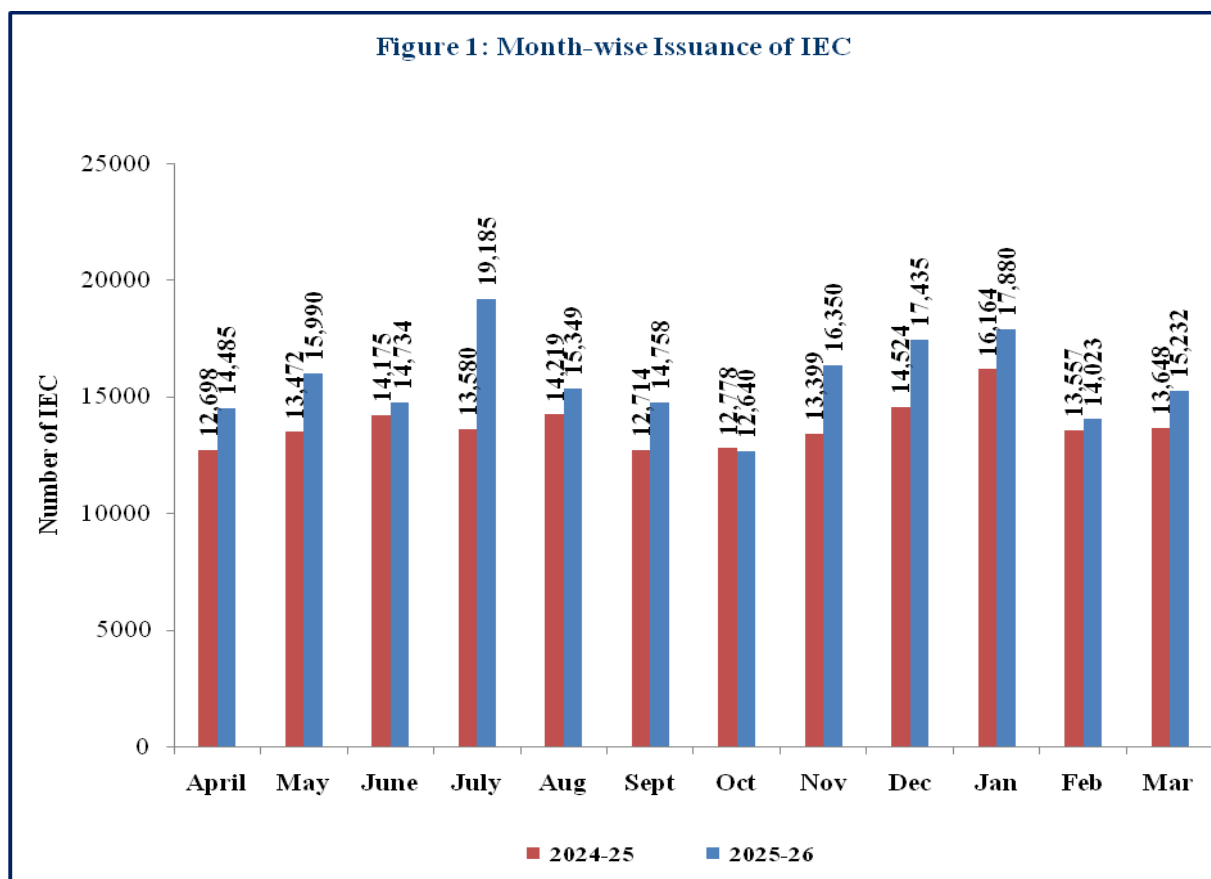

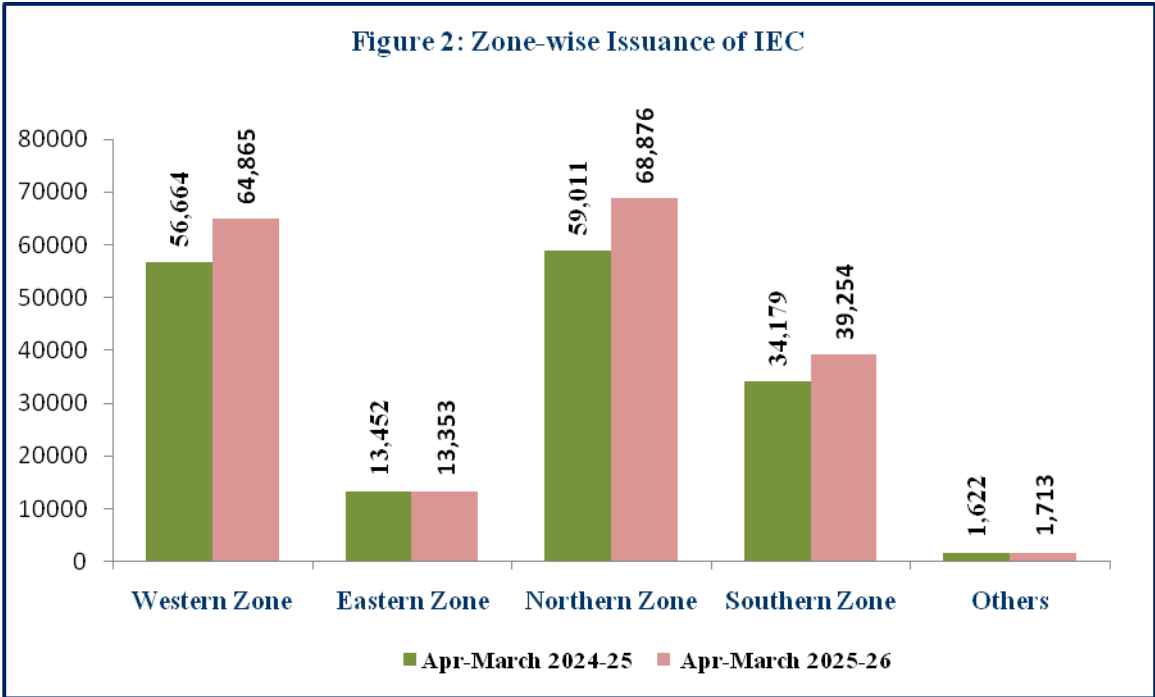

Figure 2 depicts the zone-wise issuance of IEC during April- March in 2024-25 and 2025-26. It reflects that Northern Zone issued the highest number of 68,876, IEC followed by Western Zone with 64,865 IECs during April- March 2025-26.

III. Services Exports from India Scheme (SEIS)

Services Exports from India Scheme (SEIS), introduced in the Foreign Trade Policy (2015-20) replacing the Served from India Scheme (SFIS), is an incentive scheme for eligible service exports. SEIS offers reward at 3% or 5% of net foreign exchange earned. This scheme covers ‘Service Providers located in India’ instead of ‘Indian Service Providers’. Under the new scheme, the incentive scrips issued are transferable.

All India and RA-wise details of issuance of scrips along with the value of scrips, under SEIS during April-March 2025-26 are given at **Table 2 to 6**. It is clear from Table 2 that 349 scrips were issued under SEIS by various Regional Authorities with value of scrips Rs. 234 crore and FOB value of exports Rs 44,954 crore during April-March 2025-26.

Figure 3 reflects the number of scrips issued by the major RAs, having more than 3% share in total issuance of scrips under SEIS during April-March 2025-26 and April-March 2024-25. Pune RA

issued the highest number of 129 scrips during April-March 2025-26 followed by Mumbai with 126 scrips.

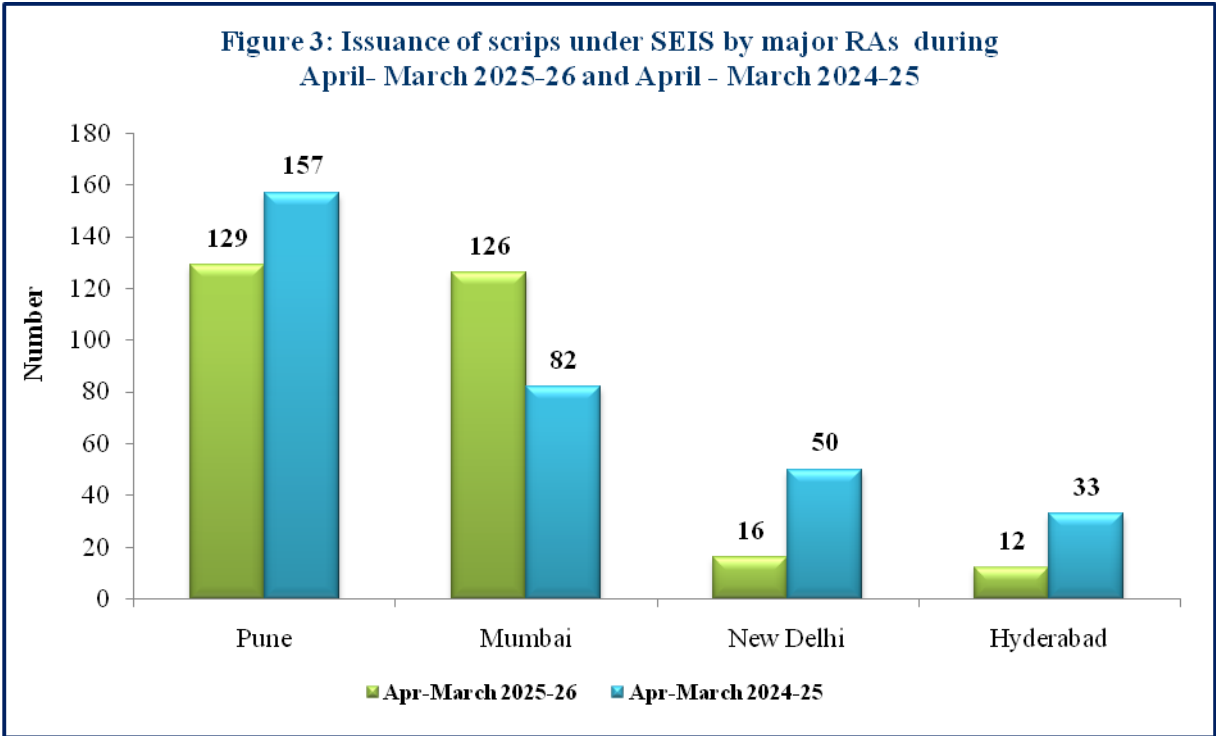

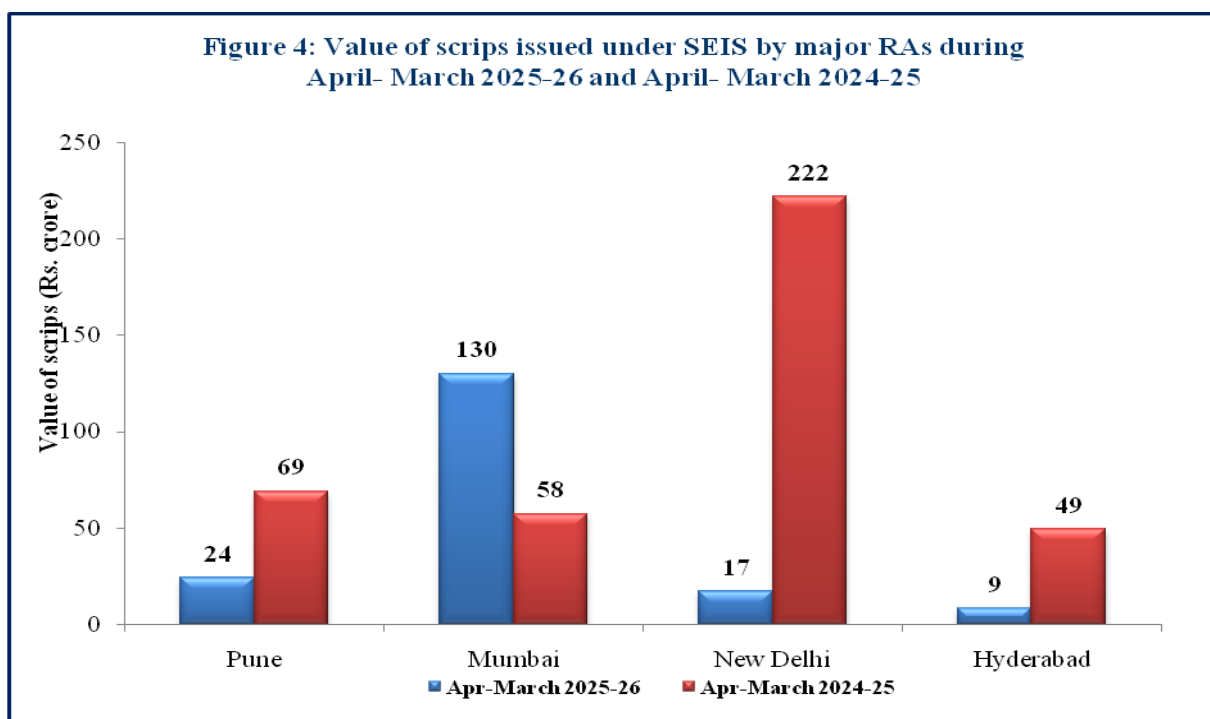

Figure 4 reflects the value of scrips issued by various RAs under SEIS during April-March 2025-26 and April-March 2024-25. It reflects that Mumbai RA issued the highest value of scrips of Rs. 130 crore in April-March 2025-26 followed by Pune which issued value of scrips of Rs. 24 crore during April-March 2025-26.

IV. Export Authorization

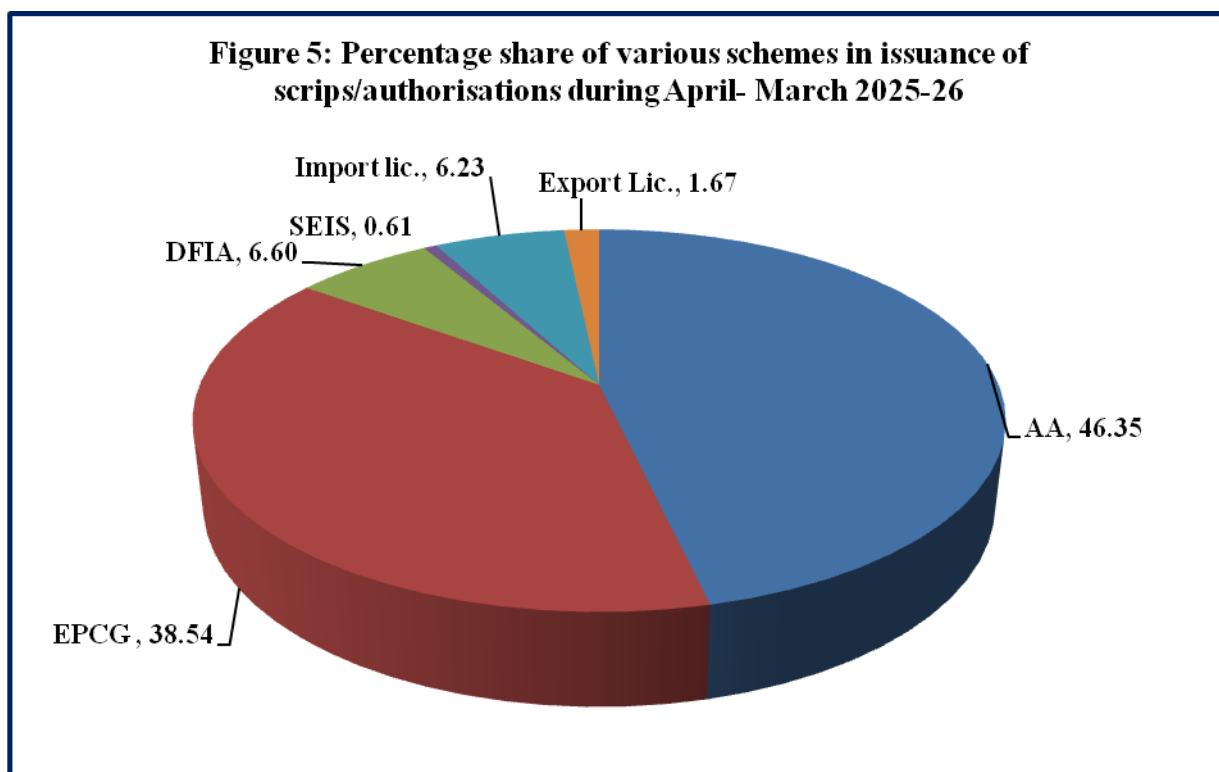

Export of items categorised as ‘Restricted’ in Schedule 2 of ITC (HS) Classification for export is subjected to license. The applications for issuance of export authorization for restricted items (other than SCOMET items) e.g. onion seeds, live animals, seaweeds, non-basmati rice paddy (husk) other than seed quality, fodder material, fertilizers (NPK, SSP, urea etc.), chemicals under Montreal Protocol etc., are processed and considered by an EXIM Facilitation Committee (EFC) consisting of representatives of various Ministries and Departments. “Special Chemicals, Organism, Materials, Equipment and Technologies (SCOMET)” items are dual-use items having potential for both civilian and Weapons of Mass Destruction (WMD) applications. Export of such items is either restricted, requiring an authorisation for their export, or is prohibited. Total number of authorisations issued under Export License is 984 with FOB value of Rs 32,132 crore during the month of April-March 2025-26.

V. Import Authorization

Import of items categorised as ‘Restricted’ in Schedule 1 of ITC (HS) Classification for import, is subjected to license. Total number of authorisations issued under Import License is 3,528 with CIF value of Rs 7,51,257 crore during the month of April- March 2025-26.

VI. Export Promotion Scheme-wise share in issuance of scrips/authorizations

Figure 5 shows the share of various export promotion schemes in issuance of scrips/authorisations by the Regional Authorities during April-March 2025-26. It shows that AA Scheme has the highest share of 46.35 % in issuance of scrips among all export promotion schemes, followed by EPCG Scheme with 38.54%.

VII. Advance Authorisation Scheme

Advance Authorisation is issued to allow duty free import of input, which is physically incorporated in export product (making normal allowance for wastage). In addition, fuel, oil, catalyst which is consumed/ utilized in the process of production of export product, may also be allowed.

RA-wise number of authorisations issued under Advance Authorisation scheme along with the value of Export Obligation (EO) fixed and unredeemed authorisations as on April-March, 2025-26 where EO period has expired (till 2022-23) are given at **Table 7**. The details of number of authorisations issued along with the value of Export Obligation (EO) fixed since 2023-24 to 2024-25 and unredeemed authorisations as on March 2026 are given at **Table 8**. Further, the status of issuance of authorisations for April-March 2026 is given at **Table 9**.

Figure 6 reflects the number of authorisations issued by major RAs, having more than 1% share in total issuance during April-March 2025-26. It shows that Mumbai RA issued the highest number of 6,901 authorisations, followed by New Delhi with 4,614 authorisations.

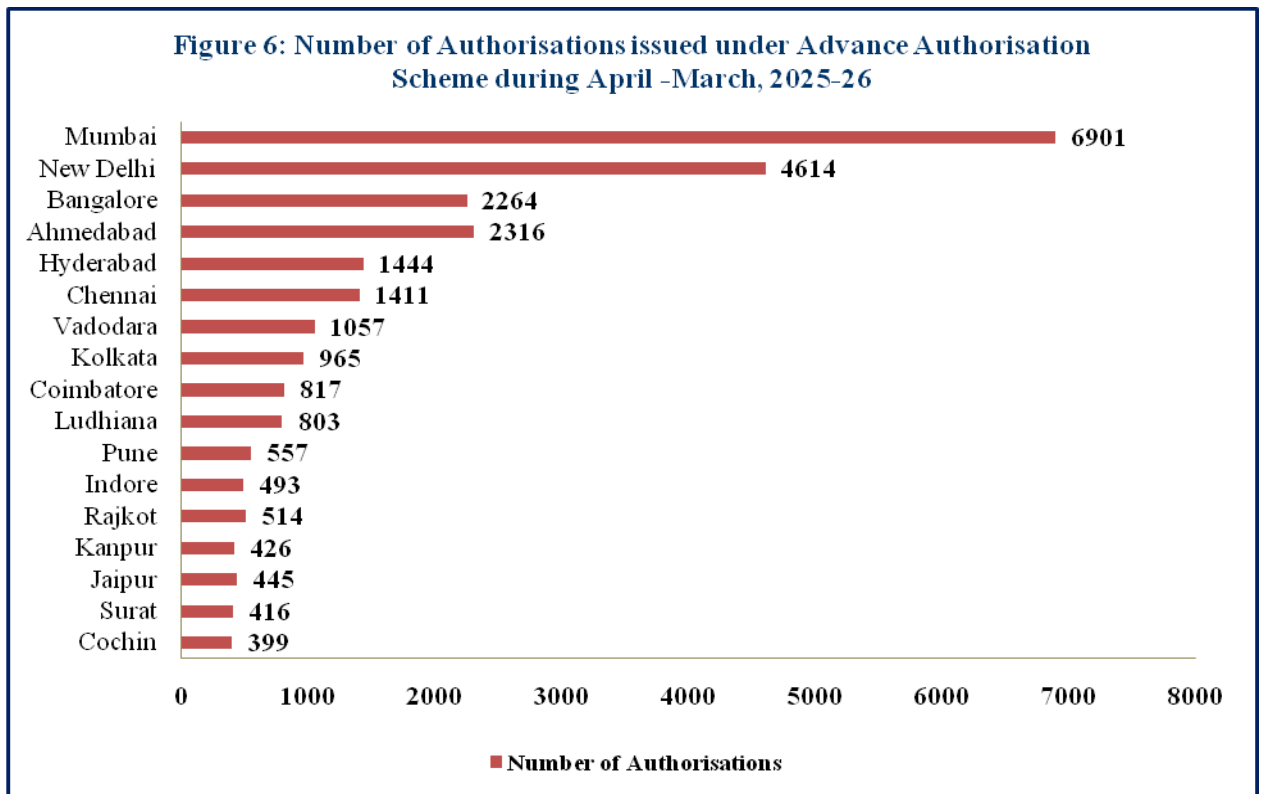

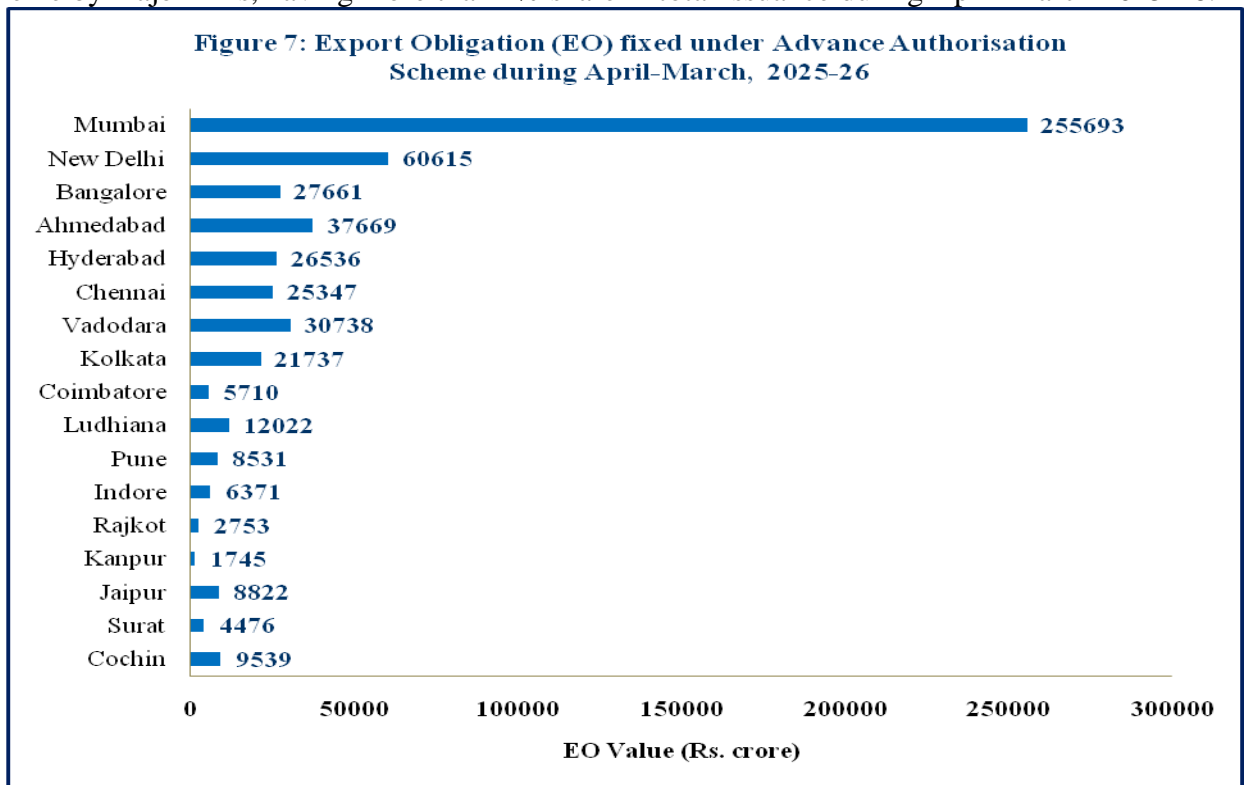

Figure 7 shows the value of Export Obligation (EO) fixed under Advance Authorisation Scheme by major RAs, having more than 1% share in total issuance during April-March 2025-26.

VIII. Export Promotion of Capital Goods (EPCG) Scheme

The objective of the EPCG Scheme is to facilitate import of capital goods for producing quality goods and services to enhance India's export competitiveness. Post Export EPCG duty credit scrips are also available to exporters who intend to import capital goods on full payment of applicable duties in cash and choose to opt for this scheme.

Import under EPCG Scheme shall be subject to an export obligation equivalent to 6 times of duties, taxes and cess saved on capital goods, to be fulfilled in 6 years reckoned from date of issue of Authorisation. Authorisation shall be valid for import for 18 months from the date of issue of Authorisation. EO shall be fulfilled by the authorisation holder through export of goods which are manufactured by him or his supporting manufacturer / services rendered by him, for which the EPCG authorisation has been granted. Revalidation of EPCG Authorisation shall not be permitted.

RA-wise number of authorisations issued under EPCG scheme along with the value of Export Obligation (EO) fixed and unredeemed authorisations as on March, 2026 where EO period has expired (till 2017-18) are given at **Table 10**. The details of number of authorisations issued along with the value of Export Obligation (EO) fixed upto March, 2025 and unredeemed authorisations as on March 2026 are given at **Table 11**. Further, the status of issuance of authorisations for April-March 2025-26 is given at **Table 12**. It shows that total number of 21,838 authorisations along with Rs. 32,325 crore duty foregone amount was issued under EPCG Scheme during April- March 2025-26.

Figure 8 shows the number of authorisations issued by major RAs, having more than 1% share in total issuance during April-March 2025-26. It shows that Surat RA issued the highest number of 5,851 authorisations, followed by New Delhi RA with 2,395 authorisations.

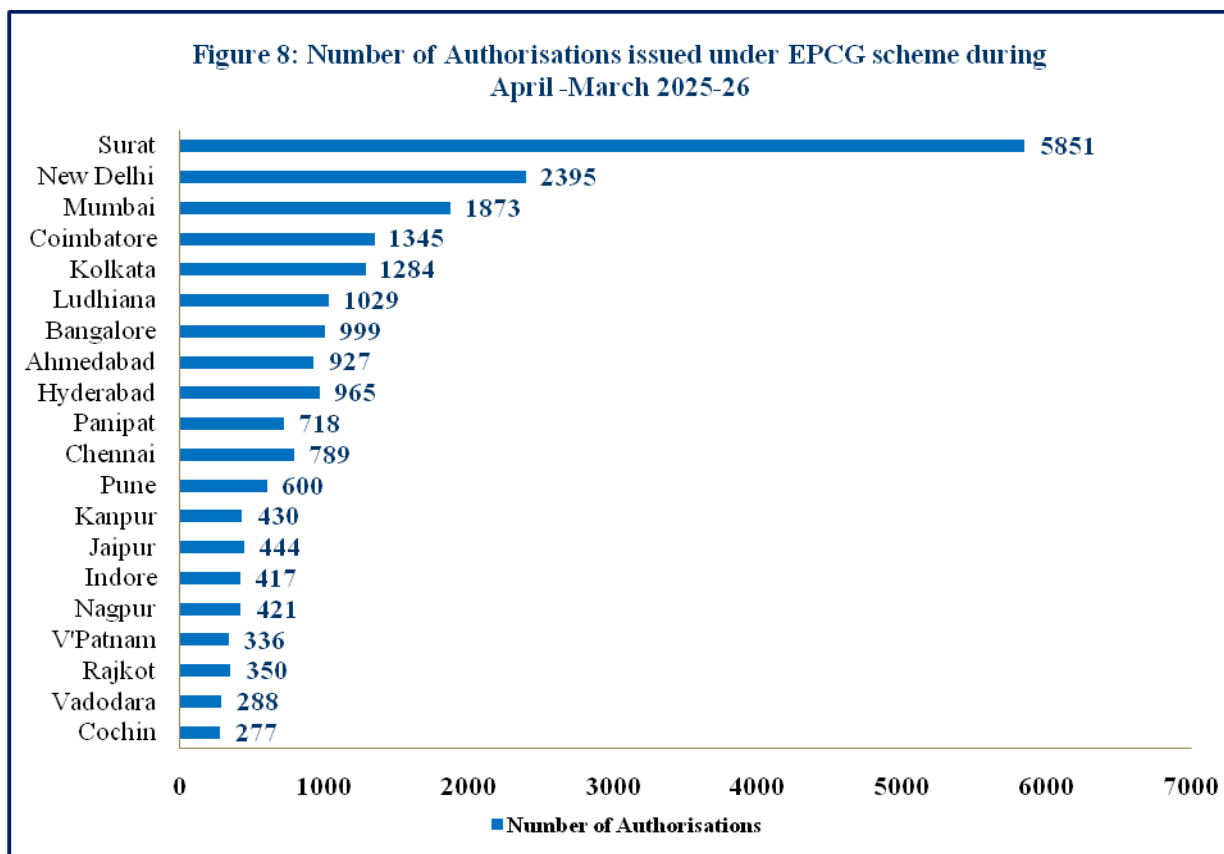

Figure 9 shows the value of total Export Obligation (includes Avg EO and Addl spec EO) fixed under EPCG Scheme by major RAs, having more than 1% share in total issuance, during April-March 2025-26.

Metadata for MIS data

Item No	Concept name	Details
1	Contact	
1.1	Contact Organisation	Directorate General of Foreign Trade
1.2	Compiling agency	SA, DGFT, Ministry of Commerce & Industry
1.3	Custodian agency	Directorate General of Foreign Trade, Ministry of Commerce & Industry
1.4	Contact Details	Statistical Adviser, Directorate General of Foreign Trade
2	Data Description and Presentation	
2.1	Data description	<p>MIS reports provide aggregated administrative data to monitor the Export Promotion Schemes under the Foreign Trade Policy (FTP). The dataset presents scheme-wise and RA/Zone-wise information on exports. The data is compiled and published by the Directorate General of Foreign Trade (DGFT), Ministry of Commerce & Industry, through its Management Information System (MIS).</p> <p>The dataset covers key export promotion schemes including Advance Authorisation (AA), Export Promotion Capital Goods (EPCG), Duty Free Import Authorisation (DFIA), Remission of Duties & Taxes on Exported Products/Rebate of State & Central Taxes Levied, MEIS/SEIS (legacy schemes), and other schemes notified under the FTP. Key data elements include scheme name, reporting period, aggregated IEC count, number of authorisations or scrips issued, FOB export value (₹/USD), incentive or duty credit amount sanctioned. The data is intended for performance monitoring, policy analysis, transparency. It is aggregated in nature, subject to revision and validation by DGFT. Updates are released periodically—monthly and annually.</p>
2.2	System of Classification	Not Applicable
2.3	International/ National Standards Classification/Codes, if followed	<p>MIS reports follow recognised national and international standards and classifications, wherever applicable. Product classification is based on Indian Trade Classification (Harmonized System), aligned with the World Custom Organization Harmonized System (HS). Exporters are identified using the Importer Exporter Code (IEC) issued by DGFT. Reporting periods follow the Government of India financial year format. These standards ensure consistency, interoperability, and comparability of DGFT MIS data across national and international trade datasets.</p>

2.4	Sector coverage	Coverage is comprehensive and aligned with export promotion schemes notified under the Foreign Trade Policy
2.5	Concepts and definitions	<p>Importer Exporter Code (IEC): A mandatory ten-digit identification number that serves as the primary document of recognition by the Government of India for any entity engaged in import or export activities.</p> <p>Service Exports from India Scheme (SEIS) is an incentive scheme that rewards Indian service exporters with freely transferable Duty Credit Scrips valued at a percentage of their net foreign exchange earnings. These incentive scrips are transferable.</p> <p>Export Authorization: Under Schedule 2 of the ITC (HS) classification, an Export Authorization is the official permit that grants an exporter specific legal clearance to ship items categorized as "Restricted."</p> <p>Import Authorization: Restricted items under Schedule 1 of the ITC (HS) classification, requires license for import clearance in India.</p> <p>Cost, Insurance, and Freight (CIF) Value: The valuation of imported goods where the seller covers all costs, freight, and marine insurance to the named port of destination</p> <p>Free on Board (FOB) Value: The valuation of exported goods at the point they pass the ship's rail at the port of shipment.</p> <p>Advance Authorization (AA) Scheme: A duty remission scheme allowing the duty-free import of inputs physically incorporated into an export product, inclusive of allowances for wastage.</p> <p>Export Promotion Capital Goods (EPCG) Scheme: Facilitates the import of capital goods at zero customs duty to enhance manufacturing competitiveness, subject to an EO of six times the duties, taxes and cess saved on capital goods, to be fulfilled within six years reckoned from date of issue of Authorization.</p> <p>Duty Free Import Authorization (DFIA): Issued on a post-export basis for products with notified SION, requiring a minimum value addition of 20% for the transfer of inputs or authorizations</p> <p>SCOMET: An acronym for Special Chemicals, Organism, Materials, Equipment, and Technologies. These are dual-use items, munitions, or nuclear-related technologies that require specialized export authorizations.</p>

2.6	Unit of compilation	RA Level/Zonal Level
2.7	Population coverage	The DGFT MIS reports cover all exporters and importers registered with DGFT who hold a valid Importer Exporter Code (IEC) and have availed benefits under Export Promotion Schemes during the reporting period. Coverage is nationwide and subject to scheme eligibility and reporting timelines.
2.8	Reference Period	The reference period for DGFT MIS reports is the financial year, month, or quarter during which exports occurred and authorisations or incentives were issued
2.9	Duration and period of enumeration	MIS data is collected continuously and aggregated monthly, quarterly, or annually, covering the period when exports occurred and authorisations or incentives were issued
2.1	Sample size/Dataset Size	MIS reports cover the entire population of eligible exporters and importers with a valid IEC who availed scheme benefits, with dataset size varying by number of authorisations, scrips, and exporters.
2.11	Data Confidentiality	DGFT MIS reports provide only aggregated data, keeping individual exporter or importer information confidential for administrative and analytical use
3	Institutional Mandate	
3.1	Legal acts and other agreements	Not Applicable
3.2	Data sharing/Data Dissemination	MIS data is shared in aggregated form via the DGFT website and official reports, and with government or research agencies, while keeping individual exporter information confidential.
3.3	Release calendar	Annual/ Monthly
3.4	Frequency of dissemination	Monthly
3.5	Data access	MIS data is publicly available on DGFT website.
4	Quality Management	
4.1	Documentation methodology	on MIS reports use a standard methodology: data is submitted on DGFT portal, verified by regional offices, and is centrally compiled.
4.2	Quality documentation	Not Applicable

4.3	Quality assurance	Not Applicable
5	Accuracy and Reliability	Not Applicable
5.1	Sampling error	No sample is drawn.
5.2	Measures of reliability	-
6	Timeliness	
6.1	Timeliness	MIS reports are released monthly and annually after the reporting period, ensuring timely availability for monitoring and policy analysis
7	Coherence and Comparability	
7.1	Comparability – over time	Comparable
7.2	Coherence	-
8	Data Processing	
8.1	Source data type	Administrative
8.2	Frequency of data collection	Monthly and Annual
8.3	Mode and method of data collection	MIS data is collected electronically via the DGFT portal, verified by regional offices, and centrally compiled for aggregation and reporting.
8.4	Data validation	Validation is primarily done through regional authorities
8.5	Data compilation	Centrally compiled
8.6	Data identifier(s)	-
9	Metadata Update	
9.1	Metadata last posted	-
9.2	Metadata last update	-
