Order-in-Appeal

M/s. Renew Plastics, (here-in-after referred to as “the Appellant”), an SEZ unit, filed an Appeal on 06.03.2018 under section 15 of the Foreign Trade (Development & Regulation) Act, 1992 (here-in-after referred to as “the Act”) against Order-in-Original No. KASEZ/114/2017-18 dated 18.01.2018 (issued from F.No. KASEZ/IA/1607/95/ Vol. 1/10969) passed by the Development Commissioner (hereinafter referred to as “DC”), Kandla Special Economic Zone (KASEZ), Gandhidham imposing a penalty of Rs. 14,00,000/- on the Appellant.

2.0. Vide Notification No. 101 (RE-2013)/2009-2014, dated the 5 December 2014, the Central Government has authorized the Director General of Foreign Trade aided by one Addl. DGFT in the Directorate General of Foreign Trade to function as Appellate Authority against the orders passed by the Development Commissioner, Special Economic Zones as Adjudicating Authorities. Hence, the present Appeal.

3.0. Brief facts of the case:

3.1. The Appellant was issued a Letter of Approval (LoA) vide letter F.No. KFTZ/IA/1607/95/2845 dated 25.01.1996, as amended and extended from time to time, to
3.2 Rule 18(4)(b) of SEZ Rules, 2006 states that ‘No proposal shall be considered for enhancement of the approved annual import quantity of the unit since its commencement of operation to the existing units’. Further, as per Rule 53 of the SEZ Rules and terms & conditions of the renewal letter dated 12.12.2013, if a unit fails to abide by any of the terms & conditions of the existing L.o.A or Bond of the unit, the penalty should be imposed under the provisions of the FT (D & R) Act, 1992 and its L.o.A can be cancelled as per provisions of the SEZ Act.

3.3. It was noticed by the DC that the Appellant had exceeded the annual import quantity of plastic waste and scrap by 22,932 Mt. in 2011-12, 15,883 Mt. in 2012-13, 896,766 Mt. in 2013-14, and 562,163 Mt. in 2014-15 against the annual capacity approved as per their L.o.A i.e. 5,000 Mt. in contravention of the Rule 18(4) of SEZ Rules, 2006.

3.4. Accordingly, DC issued a Show-cause Notice (SCN) dated 11.04.2016 to the Appellant to show cause as to why the penalty should not be imposed under Section 11 of the FT (D & R) Act, 1992, as amended, (as made applicable under Rule 54(2) of SEZ Rules, 2006) for the above said violation. Earlier also, an SCN bearing F.No. KASFR/160795/01/2015 dated 14.03.2011 was issued to the Appellant for exceeding average quantity of permissible annual import quantity for the financial years 2006-07 to 2010-11 (up to 31.12.2010).

3.5. The Appellant was provided opportunities of personal hearing by the DC two times, however, it neither availed the same nor did it file any written submission in this regard. The DC, after going through the contents of the SCN and all other related documents available on record, proceeded to adjudicate the matter, ex-parte, and imposed a penalty of Rs. 14,00,000/- on the Appellant vide In-Original dated 18.01.2018 for contravening the provisions of Rule 18(4)(b) SEZ Rules, 2006 with the following observations:

(1) The SCN was issued for imposition of penalty under the Rule 54(2) of the SEZ Rules, 2006 read with the provisions of the FT (D & R) Act, 1992. Earlier, SCN dated 14.03.2011 was required to be dropped as fresh proceedings were initiated vide SCN dated 11.04.2016.
(ii) As per Rule 18(4)(b) of SEZ Rules, 2006, it is clear that no existing plastic reprocessing unit is allowed to enhance its approved annual import quantum more than average approved annual quantum since its commencement of operation till 10.02.2006 i.e. date w.e.f. SEZ Rules came into force.

(iii) From the records and LoA, there is no specific mention of any approved import quantity instead only its annual production capacity was mentioned. Further, no correspondence, order or decision exists on records to indicate whether any such quantum has been fixed. However, a co-relation can be established between annual import quantity and annual production capacity.

(iv) The Appellant did not give any specific data to justify that in order to utilize its maximum permissible annual capacity, how much raw materials in the form of plastic waste & scrap are required to be imported. Its main product is Plastic Agglomerates wherein the main process of production involves conversion of segregated plastic waste and scrap into plastic agglomerates. The material on record does not indicate any specific loss during manufacturing process. The percentage loss is also not specified in the Standard Input Output Norms (SION) as published by the DGFT. Hence, by taking 2% production loss, the annual quantum of import should be 5100 MT against the annual production capacity of 5000 MT.

(v) Taking into consideration the actual imports and 2% production loss, the excess quantity of import comes out to 124,326 Mts. in 2011-12, 1,483,909 Mts. in 2012-13, 796,176 Mts. in 2013-14 and 462,163 Mts. in 2014-15.

4.0. Aggrieved by the above stated Adjudication Order, the Appellant filed the present appeal. The Appellant was granted an opportunity of Personal hearing on 27.11.2020. The Appellant in its written and oral submissions submitted that:

(i) The DC erred in issuing the SCN dated 16.03.2011 and 11.04.2016 for violating Rule 18(4)(b) of the SEZ Rules, 2006 as the SEZ Act, 2005 does not have any explicit provisions for imposition of penalty for violation of Rules.

(ii) The SEZ Act, 2005 does not confer power to make rules to empower the DC to impose penalty under FTDR Act, 1992. Therefore, Rule 54 of the Rules does not flow from any authority of the Act.

(iii) The SEZ Act, 2005 in terms of vide section 52 has an overriding effect over other Acts. This section makes it clear that Chapter X A of the Customs Act, 1962 and SEZ Rules, 2003 etc. are not applicable after the SEZ Act and Rules come into force w.e.f. 10.02.2006.

(iv) The DC does not have the jurisdiction to issue SCN or impose penalty under Rule 54(2) of the SEZ Rules as this relates to the "Monitoring of Performance" and any action in this regard can be taken by the Unit Approval Committee alone.

(v) The DC has erroneously taken 2% production loss without any authority despite its own findings that no percentage loss is specified in SION.
Comments on the Appeal were obtained from the Office of the DC, KASEZ. The DC vide letter dated 11.04.2019, inter alia, stated as under:

5.0

(i) As per Rule 54(2) of the SEZ Rules, 2006, if a unit fails to abide by any of the terms & conditions of LoA/Bond-cum-Legal Undertaking, the unit shall be liable for penal action under the provisions of FT(D&R) Act, 1992. These Rules have been framed on the basis of powers vested by the Government u/s 55 of the SEZ Act.

(ii) Further, DGFT notification No. 20 dated 13.06.2013 empowers the DC for exercising powers u/s 13 read with section 11 of the Act.

(iii) Annual capacity for manufacturing of specified items as indicated in LoA was taken to determine permissible annual import quantum which was implicit in the LoA itself. Since the SEZ Rules, 2006 came into effect from 10.02.2006, the period from 2006-07 onwards was only taken for determination of exceeding annual capacity.

(iv) No approved import quantum/SION has been specified in the instant matter. Since SION was fixed, percentage loss was taken to be 2% which is well settled of law.

Since the appellant violated the conditions of Rule 18(4)(b) of the SEZ Rules, 2006 by exceeding the annual approved capacity, the DC imposed penalty on it under the provisions of Rule 54 of the SEZ Rules, 2006 read with provisions of FT(D&R) Act, 1992.

KASEZ, Appeal preferred by the Unit, oral/written submissions made by the Appellant, comments given by the DC on the Appeal are all other aspects relevant to the case. It is noted that:

6.0

(i) Regarding contention of the Appellant that penalty cannot be imposed under FT(D&R) Act, 1992 as the SEZ Act, 2005 does not confer power to make rules to empower DC to impose penalty under FT(D&R) Act, 1992, it is observed that Rule 54(2) of the SEZ Rules, 2006 empowers DC to take penal action under the terms & conditions of LoA/Bond-cum-Legal Undertaking. Further, DGFT Notification No. 20 dated 13.06.2013 empowers DC for exercising powers u/s 13 read with section 11 of the Act.

(ii) In O dated 18.01.2018 it has been mentioned that no approved import quantity was specifically mentioned in the LoA, instead only its annual production capacity was.
mentioned. Further no correspondence, order or decision exists on records to indicate whether any such quantum has been fixed for the unit. Hence, annual import quantum of the unit was not fixed in the LOA or its subsequent renewals.

(iii) In the O-in-O it is mentioned that percentage loss is not specified in the SION for the manufacturing process adopted by the Appellant. Hence, it is not clear as to under which Rule, 2% production loss has been arrived at while determining the annual import quantum in the absence of any SION or ad-hoc norms for the processes.

(iv) It is also not specified as to under which Rule, SION notified by DGFT is applicable on the units in SEZ under SEZ Act/Rules or orders made there under.

(v) As per Rule 18(4)(b) of SEZ Rules 2006, as amended, the average annual import quantum should have been determined by taking the import figures since commencement of operation and fixed accordingly. However, the same has not been done by the office of Development Commissioner, KASEZ.

Hence, it would not be justifiable to penalize the Appellant if the grounds having legal bearing on the case are not considered in light of the applicable policy/procedure provisions.

7.0. In view of the above, in exercise of the powers vested in me under Section 15 of the Foreign Trade (Development & Regulation) Act, 1992 (as amended in 2010) read with Notification No. 101 (RE-2013)/2009-2014, dated the 5th December 2014, I pass the following order:

Order

F. No. 01/92/171/05/AM-19/PC-VI

Dated: 21.01.2021

Order-in-Original dated 18-01-2018 is set aside and the matter is remanded back to the Adjudicating Authority for de-novo consideration.
