Decision : Department of Pharmaceuticals vide their OM No. 35011/492/2014-PI(Norms) dated 10.02.2015 have stated that they have examined the matter and it is noted that both import and export items are chemically same. Since the COA of the import item is not given from foreign supplier, it is felt that no manufacturing activity is involved which may account for 34.3% wastage and hence the Department of Pharmaceuticals does not support the proposal. In view of the above comments of the Department of Pharmaceuticals it has been decided to Reject the case.
