Decision : Firm's representative Sh. Manish Bansal, Director appeared for the Personal Hearing. He stated that they have already completed export of "Stainless Steel Utensils and other household articles made of stainless steel" & import of "Stainless Steel Circles" against all the above-mentioned 12 Nos. of Advance Authorizations. He also informed that the actual import & export against the above-mentioned Advance Authorizations were made prior to ratification of Advance Authorizations and therefore, they are not in a position to mention the thickness of stainless steel on export documents. They are, therefore, not able to comply with the condition that the "Stainless Steel Circles" should be of same thickness as contained in the "Stainless Steel Utensils and other household articles made of stainless steel" exported	

against the Advance Authorizations and as a result, they are not able to close the Advance authorizations. He has also informed that Advance Authorizations issued afterwards, thickness have been correctly mentioned.

Firm's representative also informed the following:

- (i) Although the export of "Stainless Steel Utensils and other household articles made of stainless steel" has been completed with the "Stainless Steel Circles of relevant grade and thickness" imported under the respective Advance Authorizations, but they have only mentioned grade of stainless steel in the export documents and not its thickness as they were not aware about this condition at the time of exports.
- (ii) All exports and imports have been completed and this is required only for the purpose of redemption of the Advance Authorizations.
- (iii) There is no change in the quantity of import item as already ratified by the Norms Committee.
- (iv) There is no revenue loss to Government as export and import has been made in Kilograms with the same grade of stainless steel which has also been been mentioned in export & import documents.

Sh. Manish Bansal, therefore, requested that the words "of relevant thickness" suffixed with the description of import items in the above-mentioned Advance Authorizations by the Norms Committee may be removed for the purpose of redemption of Advance Authorizations.

NC noted that out of 12 Nos. of Advance Authorizations (0510314436 dated 13.01.2012, 0510318983 dated 28.02.2012, 0510321160 dated 27.03.2012, 0510325545 dated 22.05.2012, 0510334027 dated 07.09.2012, 0510337524 dated 19.10.2012, 0510344802 dated 04.02.2013, 0510347522 dated 26.02.2013, 0510360747 dated 24.07.2013, 0510371490 dated 21.11.2013, 0510381172 dated 07.03.2014 and 0510386819 dated 19.05.2014), the cases of 9 Nos. of Advance Authorizations (0510314436 dated 13.01.2012, 0510321160 dated 27.03.2012, 0510334027 dated 07.09.2012, 0510337524 dated 19.10.2012, 0510344802 dated 04.02.2013, 0510347522 dated 26.02.2013, 0510360747 dated 24.07.2013, 0510371490 dated 21.11.2013 and 0510381172 dated 07.03.2014) were ratified while one Advance Authorization (0510318983 dated 28.02.2012) was rejected. The applications of two Advance Authorizations (0510325545 dated 22.05.2012 and 0510386819 dated 19.05.2014) have not yet been received in norms committee.

Committee deliberated on the issue and keeping above in view, decided that, words "of relevant thickness" suffixed with the description of import items in the above-mentioned 9 Nos. of Advance Authorizations (0510314436 dated 13.01.2012, 0510321160 dated 27.03.2012, 0510334027 dated 07.09.2012, 0510337524 dated 19.10.2012, 0510344802 dated 04.02.2013, 0510347522 dated 26.02.2013, 0510360747 dated 24.07.2013, 0510371490 dated 21.11.2013 and 0510381172 dated 07.03.2014) be removed for the purpose of regularisation. The cases of other three AAs (0510318983 dated 28.02.2012, 0510325545 dated 22.05.2012 and 0510386819 dated 19.05.2014) would be taken up after receipt of complete application from the party.

RA may take suitable consequential action accordingly.
