Case No. 47

The Committee took up the Supplementary Agenda in respect of M/s DSJ Communications Ltd. Shri Ratish Tagte, Company Secretary of the firm, appeared before the Committee and made his submissions in support of its request that the EOP may be extended from 01.04.2009 to 31.09.2010 and for inclusion of alternate product.

The Committee noted that the firm has already availed an E.O. period of fourteen and a half years and still could not make any export. The Committee therefore was not convinced with the submissions of the firm that it would be fulfilling the export obligation in the period proposed to be extended. Therefore, the Committee rejected the request of the firm with the directions that Regional Authority may initiate immediate action for recovery of Customs Duty with interest, forfeiture of BG and action under FTDR Act and also physically verify imported machinery at their premises.

The Meeting ended with a vote of thanks to the Participants.
