5. The committee scrutinised the details of the radiological equipment which may be seen in the **Annexure-I (Survey meter) & Annexure-II (Spectrometer)**. The committee noted that Serial Number of the equipment, date of calibration of the equipment, date of purchase of the equipment along with copy of invoice and photograph of the equipment showing the serial number clearly should have been furnished to DGFT for the case to be considered. The Committee noted deficiencies in the hand-held survey meter and portable spectrometer as indicated in the annexure. **The Committee decided that the applicants may furnish details which they have not provided in an excel sheet in the format as annexed and send it to DGFT latest by 15.02.2016 so that the cases can be reconsidered by the Committee in the next meeting tentatively scheduled for 15.03.2016. The applicants are required to send their details at psia-dgft@nic.in. If no clarification/details are received by 15.02.2016, it will be presumed that the applicant is not interested in being recognized as a PSIA and their applications will be considered as withdrawn & Bank Guarantee would be returned.**

6. The Committee also noted that of the 35 PSIAs in Appendix 2G, 19 PSIAs have completed 3 years and should be removed from Appendix 2G. However, if these 19 PSIAs are removed then it would create problem in import of metal scrap as many countries/regions would go unrepresented. The Committee also noted that no new PSIA had been found eligible to be recognized in this meeting. The Committee therefore decided to recommend that the period of recognition of all the PSIAs presently enlisted in Appendix 2G of A & ANF and who have completed 3 years their eligibility may be extended upto 31st May, 2016.

7. The Committee noted that some applicants as mentioned in the **Annexures - I & II** have not submitted the declaration that manpower with them have the requisite educational qualification as stated in ANF-2L and an declaration in the format as given below. Those applicants in the **Annexures – I & II** who have not submitted the following declaration and also declaration of their manpower may forward the same by 15.02.2016 at psia-dgft@nic.in.

Declaration

I / We hereby undertake that if we are recognized as PSIA, we will not issue PSIC to any importer in India which has proprietor /any partner/any Director common with our firm/company. I/We fully understand that In the event of violation of this condition, I/we shall be liable for suspension of recognition certificate and forfeiture of Bank Guarantee amount in addition to any other action under FT (D&R) Act 1992, Customs Act, 1962 or any other law in force.
