TRQ Case

M/s. PEC has requested for grant of import license for import of 1021 M.T. of Maize under TRQ for the period 2007-08. Committee noted the request of PEC was earlier considered however import license was not issued since MFN rate of duty of maize is 0 % while TRQ rate of duty is 15 %. In the instant case PEC has re-represented for issue of import license under TRQ since maize is a canalized item for import through Food Corporation of India, which implies that an import license is required even for import outside the TRQ scheme.

After detailed discussion EFC decided to issue import license under TRQ scheme to M/s. PEC Ltd for 1021 M.T. The import has to be completed by 31st March 2008.
